Survey's Background

According to Board Policy 2745, the ECCD Board of Trustees is committed to assessing its own performance in order to identify strengths and areas in which it may improve its functioning. To that end, **the Board** establishes priorities and **evaluates its annual performance on these priorities through a survey.**

Objective of the Survey

The Board of Trustees annually responds a survey in order to assess its priorities.

Method & Participants

Trustees completed the survey via Qualtrics web-based tool. **Four out of six trustees answered the survey.**
