# Academic Senate Meeting

9-20-22

Quick Reminder

- Comments/questions not directly related to current agenda item will not be acknowledged until public comment. Additionally, comments/questions on agenda items should contribute to the discussion in a meaningful way. Public comments will be limited to 1 three-minute comment per person per meeting.

- The Academic Senate fully respects the time of all our senators and other meeting participants. With this in mind and because of the many items within senate purview that must be addressed each semester, we ask that discussions in senate meetings, even during the public comment period, be limited to topics within/related to the 10+1 purview of the Academic Senate. If your comment is completely unrelated to senate purview (i.e. topics such as salaries/wages, and benefits), you will be kindly asked to hold your comment and advised as to a more appropriate venue to have the conversation.

- If you type something in the chat that you would like read aloud, please begin the comment with ***. If your comment does not begin with ***, we will assume it's just for others to read silently and will not acknowledge it publicly.
