Academic Technology

Academic Technology Committee

Need to identify courses with specific hardware/
software needs for summer/fall and disseminate
to students

Email Move to Cloud- Ongoing. By division.

College Technology Committee

[Report from SIG Consulting re: Colleague System](#)

Instructional Effectiveness

- **SLO assessments** are moving forward with only SLOs in courses that were online from the start of the semester.
- **ILO assessment** will also move forward, but draw on only those courses that are aligned, being assessed this semester, and were online from the start of the semester.
- **Program Review** is being pushed back one year. Stay tuned for details, but everything is going to be delayed by 1-2 semesters. No Program Review will be due for Fall 2020.

Special Committees

Academic Affairs

- Summer and Fall online
- Attendance Accounting

Student Services

- Warrior Pantry is open Tuesday and Wednesday from 11am-2pm each week

Online and Digital Education

Unfinished Business

Making Decisions Guide

Resolution in support of limited semester extension

- Now therefore be it resolved that the Academic Senate for El Camino College recommends that the Board of Trustees extend spring semester 2020 to a date no later than June 30, 2020, for programs that require in-person instructional hours for students to fulfill completion and/or licensing requirements.
