JOB TRAINING

Clinical Medical Assistant Training Program + Externship

120-Hours Classroom Instruction + 160-Hours Externship \$2,899

Course fee includes CPR training and certification, lab supplies, national certification preparation and examination, certificate of completion and externship placement.

Training for an exciting and rewarding career as a Clinical Medical Assistant has never been easier. In today's busy medical practices, Clinical Medical Assistants are vital members of the medical team. In this course, students will train to assist the physician in providing quality patient care. Students will learn to obtain patient vital signs, assist with minor medical procedures, perform simple laboratory tests, give injections, perform venipuncture (phlebotomy), administer medications, and more. This program includes a 160-hour externship where students will be placed in a private practice, clinic, or urgent care facility.

Classroom Training: The program consists of 15 modules and includes topics such as: the health-care system, ethics and law for the medical office, medical terminology, sterilization and disinfection, patient communication, vital signs, administrative medical assisting overview, the physical examination, assisting with medical specialties, anatomy and physiology, laboratory testing and procedures, administration of medication and intravenous therapy, patient communication and education, nutrition, mental health, professionalism, and obtaining employment. A variety of teaching modalities to promote active learning are incorporated into each class. These include skills demonstration, practice, and assessment; small group and large group discussion; role play; pairs and small group activities; games that teach; and problem solving through the introduction of case-based scenarios.

Externship: Upon successful completion of the classroom training, students will participate in a 160-hour externship, where they will hone their practical skills. Students are generally placed at local doctors' offices, clinics, or specialty practices.

Credential: This program prepares and qualifies students to sit for the National Healthcareer Association Certified Clinical Medical Assistant (CCMA) exam. Exam prep materials are included in tuition, and as part of the program, students will complete 17 online NHA CCMA test preparation modules.

Career Information: Medical assistants are unlicensed individuals who perform non-invasive routine technical support services under the supervision of a licensed physician and surgeon, podiatrist, physician assistant, nurse practitioner, or nurse midwife in a medical office or clinical setting. While certification is preferred by many employers, it is not required.

Salary Information: \$46,277 Median Wage Los Angeles County (Source: CA-OEWS-Los Angeles-Long Beach-Glendale MD-2023.xlsx (live.com))

Pickleball #7820003

Pickleball is one of the fastest growing sports in the country. And here's why: The rules are simple. And while it's easy for beginners to learn, it can quickly develop into a fast-paced, competitive game as players become more skilled. Combining elements of tennis, badminton, and ping-pong, pickleball is played with paddles and a plastic ball on a tennis court with a slightly modified net. Once you play a game or two, you'll be hooked! In this class you'll be introduced to the history and rules of Pickleball while learning basic Pickleball skills such as forehand and backhand groundstrokes, serves, dinks, overhead, and volley shots. You'll also learn game strategy for singles and doubles through class play. This will be a fun and collaborative learning experience with hands-on instruction! Must Bring Your Own Paddle & Ball: Students must come to class with their own Pickleball paddle and ball (appropriate for outdoor play).

EXCURSIONS

Chocolate Love Tour #020009

Discover some of the southland's finest chocolate candy makers and the basics of bean-to-bar chocolate making in a relaxed, daylong journey. All the while, you will be able to indulge your own chocolate obsessions and make gift purchases for family and friends. Led by choc-holic John Powers, you will begin your day at Milla Chocolates, a ultra-contemporary chocolate candy maker whose architectural designs and contemporary flavors will amaze and delight you. Next, discover another the contemporary chocolate candy maker at and Sons Chocolatiers. Here, the candies are like jewels. And don't overlook the ceiling mural that tells tale of cacao! Afterwards, there will be an exploration of the Swiss tradition at Teuscher Chocolates, a global brand that ensures consistency by regular air delivery from Europe. The factory tour requires attendees to wear closed-toe shoes and to not wear perfume, cologne, or heavy-scented lotions/oils. Itinerary subject to change.

Presidential Feast

Join us in a unique journey that explores two venues of southern California's presidential legacy. First, we will walk through the vivid and informative galleries of the recently renovated Richard M. Nixon Library & Museum in Yorba Linda. Your guide, John Powers, has been leading a course for several colleges and universities focused on the 50th anniversary of the one-and-only president ever to have resigned. John will bring to life the high and low points of Nixon's career and tell you things that the museum tries to hide. Next, we will travel to Riverside where, at the historic Mission Inn that has been host to numerous presidents, we will enjoy a memorable meal together at the renowned Mission Inn Restaurant. Afterwards, we will saunter through the Inn and its Museum Store before taking a few moments to explore the colorful promenade of Market Street. Itinerary subject to change
