II) Counselor Announcements – Dora Miranda

- A University Fair is upcoming in March. Please let Dora know if you have a specific person from a university you would like to be invited.
- Dora appreciates CDEV faculty effort to have resource tables at events.

III) Cynthia Cervantes

- **Program Review** – an extension has been requested for program review.
- **New curriculum** – the creation of non-credit trauma-informed care classes has been put on the back burner during this busy semester.
- **Dual enrollment** (South Bay, Torrance Adult School, Torrance High).
- Connections for Children
- **Child Development Club** continues to be very active with workshops, You and Me Play Group, Parent Cafes, Educator Cafes, and collaborations.
- **Non-credit courses** - We are offering the non-credit parenting course for the first time in Hawthorne Unified School District. The courses have been marketed with flyers, social media and outreach.
- **Parent and Community Resource Fair** on either May 17 or 24.
- Family Child Care Workshop
- **Annual Planning** – due in March. Need to define department priorities and will likely request reassign time for a faculty member.
- **Parent U** – CDEV faculty are collaborating with others across campus to improve campus environment and child-friendly policies for parenting students. For instance, they are working on creating a policy regarding children in the classroom and may proposed a flex day dedicated to parenting student issues.
- **Child Development Center Future** – the old CDC will be demolished. CDEV faculty are advocating for a new center. It has been proposed through the annual planning and program review processes.

IV) Advisory Committee Meeting

V) Michelle Moen

1. CDTC Educational Grant
2. Foundation Scholarships

VI) Janice Jefferis

- Perkins Grant – funding received to recruit non-traditional students (men, veterans, etc.) into educational careers.
- Observation sites – Janice will be sending a list of sites and waiver forms to faculty.
- MOUs continue to be developed.
- MOU process is lots of back and forth. VP Lopez is supportive and will advocate with Risk Management to waive strict requirements.
