**<u>High Impact Courses and Canvas Outcomes for Fall 2023</u>**
This semester all courses SLO's will be in Canvas Outcomes. If a course wants to use canvas outcomes to record SLO data the will be able to do that. This way data can be disaggregated for any course.  However, high impact courses will be strongly encourage to use Canvas Outcomes.

**DLOACC Chair update**
C. Schult-Roman announced that this will be her last semester serving as the Mathematical Sciences Division Representative at the ALC and will be stepping down as Chair for DLOACC. She will still be the Co-Coordinator and will be helping with the outcomes campus wide. She will be available to train the next DLOACC Chair/Rep for ALC for Spring 2024.

**Dean's Remarks**
