1. Back to Campus: Technicians and office staff will come back to campus in-person on 8/16/21 to prepare for fall semester. Every department has in-person classes.
2. All employees will need to visit the kiosk to get a colored wristband for Covid clearance each day. Everyone must wear masks on campus. If you are alone in an office, you can take your mask off.
3. It's not the technicians' job to make sure students wear their masks. Faculty will manage Covid-compliance.
4. Please keep in touch if there are any issues! The faculty and students will have lots of questions.
