Completing the Dual Enrollment Form

Below are two methods to complete and submit your **Dual Enrollment Application form**.

For either method: all signatures must be present in Sections I-III and cannot be typed.

Method #1 – Print / Sign / Scan

One way for K-12 students to complete the <u>Dual Enrollment</u> <u>Application form</u> is to print the PDF and fill by hand.

- Complete and sign Section I acknowledging that you have read the back page of the form. Make sure to circle your
 Grade level for the term, and enter your high school graduating class year at the bottom of Section I.
- Have a parent complete and sign in Section II.
- Bring the form to your high school to obtain an Authorized Signature from a Principal or Designee (usually a counselor) in *Section III.*
- Section III is also where you indicate the Course #1 and Course #2 for which you are seeking permission to register (e.g., History 102, Psychology 101, etc.)
