

**Natural Science Division  
Division Curriculum Meeting  
Friday, October 2, 2009**

Attendance: J. Shankweiler, S.V. Lloyd, A. Grant, A. Osanyinpeju

**Curriculum for Review today:** Anatomy 30

The course outline for Anatomy 30 was reviewed by the Life Science instructors and submitted for review. Eyal Goldmann and Teresa Palos sent written comments since they were unable to attend the meeting. The course description was revised a bit and a couple of the course objectives reworded for clarity. The outline of subject matter had a few formatting changes. The reviewed document was approved by the NS Division Curriculum Committee.

**Next Meetings:**

- Friday, October 16 at 12:30 pm.

**Course Review for 2009-2010:** Anatomy 30 (✓), Anatomy 32, Biology 16, Astronomy 13abcd, 20, 25, Horticulture 44
