

**Natural Science Division Curriculum Committee**  
**February 23, 2012**

**Attendance:** J. Shankweiler, B. Carey, A. Grant, S. Leonelli, K. Gaines, T. Palos, J. Bellemin  
*Excused for CEC campus meeting:* A. Osanyinpeju, K. Coti, E. Wallano

**Degree Inactivations**

B. Carey was able to approved and move forward the degree inactivations for Laboratory Technician, Pre-Dentistry, Pre-Optometry, Pre-Medicine and Pre-Pharmacy

**Transfer Degrees**

The Geology AS-T degree is successfully to the CCC. The Physics degree needed on minor repair to the number of units and will then be forwarded by Q. Chapman to the CCC.

**Fall 2011 Review**

Biology 8, Hort 46 and 54 and Geography 1 were moved forward to the CCC. The curriculum office was consulted about Geography 6 and History of Science 11. J. Noyes worked with the curriculum office to figure out why the History of Science course was stuck. It should be resolved. They also opened up the Geography 6 course for M. Ebiner to review it. J. Bellemin attended the meeting and we spent some time with her on Curricunet determining what needed to be completed and what she needs to do to accomplish that.

**Spring 2012 Review**

Our goal is to have the spring courses reviewed and ready for submission to the DCC by March 19. In addition, J. Shankweiler will work to encourage faculty to have the courses required for Fall 2012 to the DCC by May 4.

The next meeting is Thursday, March 1.
