

EL CAMINO COLLEGE DIVISION OF NATURAL SCIENCES

September 13, 2016

TO: Natural Science Faculty

FROM: Amy Grant

SUBJECT: DCC Minutes 9-13-16

Present: M. Ebner, S. Stolovy, B. Carey, S.V. Lloyd, S. Potter, S. Trench, T. Bui, A. Grant, DCC Rep: R. Donegan

1. Fall 2016

a. Non-Honors Courses

MICR-33: Stupy—this course has been updated

ASTR-12: Hacking—this course has been updated

b. Honors Courses: Should be ready by early November for inclusion into the Spring schedule.

ASTR-25H: Hacking—The CCC asked for a few small changes, to be applied to all honors courses.

CHEM-4H: Potter—The CCC requests that acronyms not be used in book titles. CRC Handbook should be replaced by Chemical Rubber Company Handbook.

GEOG-5H: M. Ebner—The CCC asked for a few small changes, to be applied to all honors courses.

BIOL-101H: B. Carey—The CCC asked for a few small changes, to be applied to all honors courses.

BIOL-102H: T. Palos—This course is almost completed. The fact that T. Palos is on sabbatical will have no impact on its progress—she is still available by email.
