## Financial Aid

### Federal School Code 001197

El Camino College offers financial assistance to students through the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Cal Grants B and C, Student Success Completion Grant (SSCG), Federal Work-Study, Federal Direct Student Loans, Chafee Grant, and the California College Promise Grant (formerly known as the BOG Fee Waiver), and other state grants.

Apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) online at [studentaid.gov/h/apply-for-aid/fafsa](http://studentaid.gov/h/apply-for-aid/fafsa). If you are a California Dream Act student (AB 540), complete the California Dream Act Application (CADA), in lieu of the FAFSA at [dream.csac.ca.gov](http://dream.csac.ca.gov).

The best times to apply are October 1 to March 2; however, you may apply anytime. Follow the application process listed at [www.elcamino.edu/admissions/application-enrollment](http://www.elcamino.edu/admissions/application-enrollment) to apply for financial aid.

Apply for the California College Promise Grant by completing the FAFSA or CADA. Please note that the California College Promise Grant only covers enrollment fees; students may be responsible for paying other fees, including the student health fee, student representation fee, and the Student Activities Fee/ASO Benefits Pass.

Ensure that you are also meeting the Satisfactory Academic Progress (SAP) policy. (SAP is determined at the end of each semester for the subsequent semester.)

To maintain eligibility for the California College Promise Grant, students must meet academic and progress standards by maintaining a cumulative grade-point average (GPA) of 2.0 and completing more than 50% of units attempted.

For assistance and information, contact the Financial Aid Office.

## Health Services Fee

In accordance with the California Education Code, Section 72246, students pay \$26 each semester (and \$22 per summer term) to cover the operation, supervision, programs and services of the Student Health Center. The Student Health Center is closed during the winter session. Students must be enrolled and currently attending at least one for-credit course to access the services provided by Student Health Services. There are exceptions under these conditions:

1. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization. Students who qualify for this exception may obtain a Health Services Fee Waiver form in the Student Support Services Division Office. All fee-waiver requests must be submitted by the second week of the term.

2. Students will not be required to pay the student health fee if they are enrolled only in non-credit classes or only in apprenticeship classes.

The above students exempted from paying the Health Services Fee, if currently enrolled and attending at least one for-credit course, may choose to pay the fee through the Cashier's Office at any time during the exempted term to access Student Health Services.

Student Health Services are provided for students 18 years of age or older who pay the mandatory Student Health Fee. High school students permitted to attend the college on a dual enrollment basis are not eligible to utilize Student Health Services.

Regularly enrolled college students under 18 years of age must pay the Student Health Fee and submit a parental or guardian consent form to receive most services. Due to the sensitive nature of topics discussed, children, including children of students, are not permitted in the Student Health Center. Educational materials and resources, as well as referrals to off-campus medical and mental health clinics may be found at [www.elcamino.edu/studenthealthservices](http://www.elcamino.edu/studenthealthservices).

**Exemptions:** Students enrolled in non-credit classes only, students enrolled in apprenticeship courses only, and dual enrollment students will not be required to pay the Health Services Fee.

**Refunds:** Students who withdraw from all courses prior to the close of the second week of the term will be eligible for a refund of the Health Services Fee.

## Admission Requirements

Any person over the age of 18 or possessing a high school diploma or its equivalent from the USA or other nation shall be admitted unless prohibited by law. If under the age of 18, students will qualify if they have:

1. Graduated from high school; or
2. Passed the California High School Proficiency Examination (CHSPE)

El Camino College may admit as a special part-time or special full-time student anyone in grades 11 or 12 who, in the opinion of the college president, may benefit from instruction. Concurrently enrolled 11th- and 12th-grade students must comply with all policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or term.

## Attendance

Students who enroll in a class and do not attend the first scheduled meeting of the class **may** be dropped from the roster and their place may be given to a waitlisted student. During the course of the term, students may be dropped by the instructor for excessive absences. It is ultimately the student's responsibility to drop a course.

If you are eligible for and receiving a Cal Grant award, keep in mind that you need to take at least 15 semester units per fall/spring semester or 30 semester units per academic year (fall, winter, spring, summer) in order to complete an associate degree within two years at El Camino College and/or to complete your bachelor's degree within four years. Cal Grant awards are limited to four academic years, except for students enrolled in an institutionally required five-year undergraduate program or for students with bachelor's degrees admitted to and enrolled in a professional teacher-preparation program.

# California Nonresident Tuition Exemption Request

## Formerly AB 540 Affidavit

California State Assembly Bills 540 and 2000 (AB 540 and AB 2000) and California Senate Bill 68 (SB 68) allow any student who meets all of the following requirements to be exempt from paying nonresident tuition at California Community Colleges, the California State University (CSU), and the University of California (UC).

1. Attendance at California schools. This requirement may be met in either of the following two ways:
  - Total attendance (or attainment of credits earned) in a California high school or equivalent to three or more years of full-time attendance at California high schools, California high schools established by the State Board of Education, California adult schools (established by a county office of education, a unified school district or high school, or the Department of Corrections and Rehabilitation), campuses of the California Community Colleges or a combination of these; or
  - Three or more years of full-time California high school coursework, and a total of three or more years of attendance in California elementary schools, California secondary schools, or a combination of California elementary and secondary schools.
2. Completion of a course of study. This requirement may be met in any of the following ways:
  - Graduation from a California high school or equivalent;
  - Attainment of an associate degree from a California Community College; or
  - Fulfillment of the minimum transfer requirements established for the University of California or the California State University for students transferring from a California Community College.

A student who meets the above requirements must file an affidavit with the Admissions & Records Office at El Camino College stating that he/she has an application to legalize his/her immigration status or will file an application as soon as he/she is eligible to do so. In addition to the affidavit, the student must also provide official high school and/or college transcripts that clearly show attendance in all semesters and the date of high school graduation and/or completion of transfer requirements or graduation from a California Community College. If the student attended more than one California high school and/or California Community College, then official transcripts from all high schools and/or California Community Colleges must be provided. If the student graduated through equivalency as mentioned above, then proof must be provided.

Student information obtained in this process is strictly confidential unless disclosure is required under law. Students who meet the criteria will be exempt from the payment of nonresident tuition but will not be classified as "California residents." Students will continue to be classified as "nonresidents." Students who are in the United States under a student or visitor visa are not eligible.

# Registration Procedure

During priority registration each student is required to have a registration appointment before being permitted to register. Registration appointments are issued by the Admissions & Records Office and indicate the day and hour after which students may register. Students who complete the admission requirements may check their appointment time on MyECC. Students must enroll on the date and time indicated or any time thereafter in accordance with the published registration schedule. Students who do not have a priority registration appointment will register during the open registration period.

## Limitations

Enrollment in courses and programs may be limited to students meeting properly established prerequisites and corequisites and for other reasons outlined in El Camino College Administrative Procedure 5055.

## Schedule of Classes

Before the registration period for each semester or term, the college publishes a Schedule of Classes listing the courses offered and general registration procedures. Schedules are available online at [www.elcamino.edu/academics/schedules-calendars/class-schedules](http://www.elcamino.edu/academics/schedules-calendars/class-schedules) and may also be obtained at the Bookstore for a nominal fee. A searchable class schedule showing open and available classes is also available online.

## Priority Registration

In compliance with Section 58108 of Title 5, California Code of Regulations, priority registration will be implemented as follows:

## Registration Time Allowance

- A. All students may register on or after their scheduled registration appointment time, but not before.
- B. All students must register by the published deadlines and in accordance with the policies and procedures of the District. If a student fails to meet these deadlines or to follow the District's policies and/or procedures, the student will not be allowed to register for the course. A student who attends and participates in a course without proper registration will neither receive credit nor a grade for that course, and the backdating of registration will not be considered by the District unless the student can prove that he/she properly registered in a timely manner and it was a college error that caused the registration to fail.

A hold against a student (dean, fee, dismissal, etc.), a failure by the student to apply for admissions, a failure by the student to meet prerequisites or corequisites, an unapproved course overload, a K-12 form or process not properly executed, an admissions hold (residency, AB 540, missing data, etc.) not resolved by the student in the manner and timeframe prescribed by the District shall not be considered to be college error. A student will not be allowed to enroll in a class if there is any time overlap with another class.

A student may not be allowed to enroll in a class if the enrollment violates any of the repeat rules as set forth in Title 5 of the California Code of Regulations or in the El Camino College policy and procedure on repeats. Attending and participating in a course without registration does not constitute college error.

For the complete El Camino College Board Policy and Procedure for Priority Registration, please see Board Policy 5055 and Administrative Procedure 5055.

## Registration Priorities

During registration periods, the following registration priority shall be followed:

**Priority Level 1:** Eligible students in veterans, foster youth, homeless youth, Disabled Students Programs & Services (DSPS)/ Special Resource Center (SRC), Extended Opportunity Programs and Services (EOPS), CalWORKs groups, and Parenting students with dependents under 17.

**Priority Level 2:** Eligible students in District-designated groups.

**Priority Level 3:** Continuing Students

**Priority Level 4:** New/returning students who have completed orientation, assessment, and developed an education plan

**Priority Level 5:** Other new/returning students, students who have reached over 100 units, Dual Enrolled/Concurrently Enrolled students

Students within a continuing student priority level will be prioritized by units earned, at or through El Camino College. The more units earned, the higher the priority up to an earned unit limit of 100. Continuing students with the same earned unit value will be prioritized randomly.

Students within a new/returning student priority level will be prioritized by the submission date of their application for admissions. New/returning students who applied on the same day will be prioritized randomly.

Eligible new students in Priority Levels 1, 2, 3, 4, and 6 must have completed orientation, assessment, and developed an educational plan. Students should contact Veterans Services, Foster Youth, DSPS/SRC, EOPS, CalWORKs or one of the District-designated groups to receive information on qualifications for those programs and eligibility for priority registration.

### Continuous Enrollment for Priority Registration

Continuous enrollment at El Camino College constitutes enrollment in the most recent previous semester per academic year, excluding summer and winter terms. A student must remain enrolled in at least one course for sufficient time to receive a grade of "W" or a letter grade.

For the complete El Camino College Administrative Procedure 5055, Enrollment Priorities, please go to [www.elcamino.edu/administration/board/boarddocs/AP%205055%20-%20Enrollment%20Priorities.pdf](http://www.elcamino.edu/administration/board/boarddocs/AP%205055%20-%20Enrollment%20Priorities.pdf).

## Unit Limitations

A student's program of study will vary according to individual needs and objectives. There is no minimum, but the maximum program for the fall and spring semester is 18 units. The maximum program of study for the winter and summer session is 10 units. The minimum full-time student program is 12 units per semester. A student wishing to take more than the maximum units may file a unit overload petition through the Counseling and Student Success Division. Students may only take one course to exceed the unit limitation, and any additional courses will require approval from the Vice President of Equity and Student Services or their designee. Students who register for units or courses beyond the approved limit will be dropped from the excessive units or courses. Students must have completed at least 15 transferable units in one semester at El Camino College with a 2.75 grade-point average and an overall grade-point average of 2.5 or higher to be eligible for an overload.

[elcamino.formstack.com/workflows/unit\\_overload\\_pet](http://elcamino.formstack.com/workflows/unit_overload_pet)

In addition to scheduled class hours, students should include in their weekly schedule the time necessary to study and prepare for classes. Each student is expected to spend two hours per week in study and preparation for each class hour per week in lecture courses. Students who work in business or industry should reduce their total study programs in proportion to the demands of their employment and personal activities. If employment requires 40 hours or more per week, students should limit their study program to seven units or fewer each semester.

## Cross Enrollment At CSU Dominguez Hills

El Camino College students who are eligible may cross-enroll at CSU Dominguez Hills without formal admission and without payment of state university tuition in a maximum of one baccalaureate-level course per semester on a space-available basis for \$10. Such enrollment would be at the discretion of the appropriate campus authorities on each of the campuses.

A student must meet the requirements of cross enrollment to be eligible. Additional information on requirements and procedures may be obtained at the El Camino College Admissions & Records Office.

## Equivalent Courses

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the college catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Unofficial copies of transcripts are acceptable for this process. Do not delay; clear prerequisites prior to registration. Clearance for an equivalent course may be obtained online at [www.elcamino.edu/support/counseling/prerequisite](http://www.elcamino.edu/support/counseling/prerequisite), in the Counseling and Student Success Office or in the appropriate academic division office.

## High School Students

By law, El Camino College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority. District policy restricts concurrent enrollment to students who have completed the 10th grade.

El Camino College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

**Students** - when you enroll in classes at El Camino College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with El Camino College policies, procedures, the college calendar, and your rights as a student by reading the class schedule and catalog. Both are available online.

Eleventh- and 12th-grade students must submit an up-to-date application for admissions online, have a fully completed and signed concurrent enrollment form on file in Admissions, and have turned in any supporting documentation to the Admissions Office prior to the start of a semester or term. Failure to meet the admissions deadline will preclude the student from registering in any classes for that term. Late admissions and late registration will not be considered for concurrently enrolled high school students.

**Parents** - when your child enrolls in classes at El Camino College, you lose some rights afforded you by the K-12 system.

As per the Family Educational Rights and Privacy Act (FERPA), any business you conduct on behalf of your college student must be with the student's written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf.

Applying to El Camino College does not guarantee a seat in a class. Registration priority is given to continuing students first, followed by new and returning students, and then concurrently enrolled high school students. These students must go through the application process each semester or term that they are enrolled as a concurrently enrolled student.

## Student Records

Congress has provided in the Family Educational Rights and Privacy Act (FERPA) that students have certain rights of access to their education records. Please contact the Admissions & Records Office for any information regarding your rights under FERPA.

## Transcripts

Students who plan to attend under veterans or Social Security benefits, receive academic advisement to become matriculated, or need to have coursework at other colleges reviewed for prerequisite clearance must go through the Online Prerequisite Clearance Process [www.elcamino.edu/support/counseling/prerequisite](http://www.elcamino.edu/support/counseling/prerequisite)

Students who plan to graduate from El Camino College with a degree or certificate and wish to have coursework taken at other colleges considered for graduation must request that official transcripts are sent from the other colleges to the El Camino College Admissions & Records Office.

Ordering transcripts is easy. Go online at any time to [www.elcamino.edu/admissions/transcripts](http://www.elcamino.edu/admissions/transcripts) and follow the instructions.

The first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and are payable at the time of the transcript request. Transcripts are processed on a first-in, first-out basis.

- Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to, handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

### Responsibility of El Camino College Students

It is the responsibility of each student to conduct him/herself in a manner that encourages learning and promotes honesty and to act with fairness toward other students in the classroom. This incorporates the notion that students should not seek an unfair advantage over other students when completing an assignment, taking an examination or engaging in any other kind of academic activity.

### Consequences for Academic Dishonesty

When there is evidence or knowledge of academic dishonesty occurring, any or all of the following actions may be imposed:

1. The instructor may assign a failing grade to the examination or assignment in which the alleged cheating or plagiarism occurred.
2. The instructor may dismiss the student from the class or activity for the present and/or following class session(s) as stipulated in AP 5520.
3. The instructor completes the online Incident Report and Referral Form (IRRF). The form may be accessed at [https://cm.maxient.com/reportingform.php?ElCaminoCollege&layout\\_id=5](https://cm.maxient.com/reportingform.php?ElCaminoCollege&layout_id=5). The instructor will copy the division office when submitting the IRRF.
4. The student may need to meet with the instructor and/or the division administrator.
5. The student may also need to meet with the director of student development or designee to investigate the allegations of academic dishonesty. Sanctions for academic dishonesty and/or other violations of the Standards of Student Conduct, AP 5500, may include suspension and/or expulsion.

## Photo ID Card

All students are encouraged to obtain a free El Camino College identification card. These cards are available in the Warrior Welcome Center, serve as photo identification, and may be required for various services and activities. Please refer to the Photo ID webpage [elcamino.formstack.com/forms/photo\\_id](http://elcamino.formstack.com/forms/photo_id) for photo ID procedures during the COVID-19 pandemic.

### Refund Policy

Merchandise must be in new condition, in sealed package, clean and free of all markings and bearing all original tags. A 10 percent restocking fee may be assessed on all refunds.

Textbooks purchased for summer and winter terms have three days from the start of classes to return for a full refund. Textbooks must be in the same condition as purchased and must be accompanied with a register receipt for a full refund. See the [bookstore.elcamino.edu](http://bookstore.elcamino.edu) for further refund information.

### Book Buyback

The Bookstore provides daily book buyback. Students who buy and sell back used books realize the best value for their money. The best time to sell books is during finals. The Bookstore will pay up to 50 percent back on textbooks if:

- B. The Bookstore needs additional stock.
- C. There is absolutely no moisture damage on the book.

- D. The only markings on the book are from a highlighter.

## Veterans Services

The Veterans Services Office at El Camino College provides academic and personal counseling for students who are veterans, service members and eligible dependents. Veterans Services links students to supportive services and provides students the benefits of campus, community and veterans programs and events. The U.S. Department of Veterans Affairs (VA) pays education benefits to veterans, service persons, those in the National Guard or active reserves, and eligible dependents and survivors of totally disabled or deceased veterans under a number of benefit programs. Students eligible for these benefits must submit a certification request each term through the El Camino College Veterans Services Office, located in the Student Services building; the telephone number is 310-660-3486. School Certifying Officials will not process certification without eligible student's request.

With a counselor-approved educational plan, the El Camino College Veterans Services Program certifies courses required for a certificate program, an associate degree and transferable four-year degrees on behalf of the VA. Students collecting VA educational benefits must achieve satisfactory progress. If the student falls below graduation standards (2.0 GPA) or is on progress probation for two consecutive semesters, El Camino College is required to notify the VA. The VA will terminate benefits unless it can be shown that the student is pursuing an appropriate objective and has a reasonable chance for success in the chosen program.

Veterans with service-related disabilities may be eligible for a special Veteran Readiness & Employment Service offered by the VA. For more information, contact the VA at 1-800-827-1000. The California Department of Veterans Affairs (CalVet) provides a tuition-waiver program to eligible dependents and survivors of disabled and deceased veterans. Additional information may be obtained by visiting the El Camino College Veterans Services Office, by calling the California Department of Veterans Affairs at 213-744-4825, and by visiting [www.calvet.ca.gov](http://www.calvet.ca.gov).

### Veterans Benefits and Transition Act of 2018 (Public Law 115-407), Section 103

Beginning August 1, 2019, El Camino College policy regarding GI Bill® and VR&E beneficiaries (Chapter 33 and Chapter 31 beneficiaries) does not hold VA-certified students accountable for payment in attending a course of education or training for up to 90 days from the date the beneficiary provides certificate of eligibility, or valid authorization. The new legislative change allows a student to attend courses until the VA provides payment to the institution. El Camino College has implemented this policy to NOT impose a penalty or require the beneficiary to borrow additional funds to cover tuition and fees due to late payments from the VA. Section 103 requires a State Approving Agency (SAA) or the Department of Veterans Affairs (VA) when acting in the role of the SAA to disapprove certain courses of education. The VA can grant a waiver to these requirements. Education and VR&E Services are developing a timeline to implement additional provisions regarding student participation in courses pending receipt of educational or training assistance from the VA, which are contained in sections 103 and 104 of Public Law 115-407.

"GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Website at [www.benefits.va.gov/gibill](http://www.benefits.va.gov/gibill)".

## Drug & Alcohol Abuse Prevention Program (DAAPP)

At El Camino College, we have strict rules against the illegal use, possession, or distribution of drugs and alcohol on campus or during college activities. If students or employees break these rules, they will face disciplinary action (see Board Policy/Administrative Procedure 3550 and 3560).

The DAAPP publication outlines the college's rules, the legal consequences for breaking them, and provides information about local support services and programs for those dealing with alcohol or substance abuse. It also includes details about the health risks linked to drug and alcohol use.

Each student and employee will receive this information as required by the Drug-Free Schools and Communities Act Amendments of 1989. You can access a copy of this publication online at [www.elcamino.edu/support/health-safety/police/security-reports-and-crime-prevention/drug-alcohol-abuse-prevention.php](http://www.elcamino.edu/support/health-safety/police/security-reports-and-crime-prevention/drug-alcohol-abuse-prevention.php) or pick up a print copy at select locations on campus.

The El Camino Community College District is committed to providing an educational and employment environment in which no person is subjected to discrimination on the basis of actual or perceived race, color, ancestry, national origin, religion, creed, age (over 40), disability (mental or physical), sex, gender (including pregnancy and childbirth), sexual orientation, gender identity, gender expression, medical condition, genetic information, marital status, military and veteran status, or retaliation; or on any other basis as required by state and federal law.

## Sexual And Gender-Based Misconduct

Sexual and gender-based misconduct violates the policy of the District and provisions of the California Fair Employment and Housing Act (FEHA), California Education Code and federal rules, regulations and laws prohibiting sexual and gender-based misconduct, including sexual assault, sexual harassment, domestic and dating violence, and stalking. Sexual and gender-based misconduct shall be immediately reported to the District's Title IX coordinator, or designee, or to any dean, director, or manager for immediate reporting to the Title IX coordinator.

Detailed information, including resources and Title IX procedures, is available online at [www.elcamino.edu/departments/title-ix-diversity-and-inclusion/misconduct](http://www.elcamino.edu/departments/title-ix-diversity-and-inclusion/misconduct) and in the Office of Title IX, Diversity, and Inclusion, Administration building, room 140.
