

CAL STATE APPLY GPA REPORTING GUIDELINES

SCENARIO # 1:

Student earns D/F grade in course taken at a community college, student repeats course at same community college. Self-report first attempt as "Repeat" (RP) and second attempt as C or better grade. Only second grade will be calculated into CSU GPA.

*Example:*

*El Camino College*

*Fall 2021*

*Psych 101 3 units                  D/F   Report as "RP"*

*El Camino College*

*Spring 2022*

*Psych 101 3 units                  B      Report as B*

SCENARIO # 2:

Student earns D/F grade in course taken at a community college, student repeats equivalent course at different community college. Self-report first attempt as D/F grade and second attempt as C or better grade. Both grades will be calculated into CSU GPA.

*Example:*

*El Camino College*

*Fall 2021*

*Psych 101 3 units    D/F   Report as D/F*

*Los Angeles Harbor College*

*Spring 2022*

*Psych 001 3 units (Equivalent to ECC's Psych 101)                  B      Report as B*

## STRATEGIES TO ALLEVIATE SCENARIO # 2

- A. *File a petition at the community college where student earned D/F grade to request a notation indicating that course grade was alleviated due to repetition of equivalent course at another community college. Have the other college send "official" transcripts to ECC.*

*Example:*

Fall 2021

Psych 101 3 units XD/XF Report as "RP"

*(ECC utilizes an X notation on transcript)*

- B. *File a petition at the community college where student earned D/F grade to request a notation indicating that the course grade was alleviated due to "Academic Renewal"*

Fall 2021

Psych 101 3 units LD/LF Report as "AR"

*(ECC utilizes an "L" notation on transcript)*

### ***El Camino College Academic Renewal Policy:***

- 1) One year has elapsed since D/F grade was earned.*
- 2) Most recent units on transcripts show either:*
  - a) 24 units with a 2.5 GPA*
  - OR*
  - b) 30 units with a 2.25 GPA*
