Notes:

The information on this grid is for transfer applicants only. To see first-year application requirements, visit appsupport.commonapp.org to access the First-Year Requirements Grid.

1. Common App members may have more than one program.
2. Some programs require you to self-report your college coursework. This column indicates whether a program requires entry for all college coursework, pre-requisites only, or none.
3. This column indicates how colleges want to receive college transcripts in the Academic History section. Unofficial transcripts may be uploaded into the application. Official transcripts may be sent to the Common App for transfer using the Transcript Request Form in the application or sent electronically using Parchment or National Student Clearinghouse. Official transcripts should be sent one time to the Common App for transfer and will then be distributed to each program to which an applicant applies. Some programs may also include the option to upload an unofficial college transcript in the Documents section of their Program Materials.
4. If requested, the personal statement can be found in the Program Materials section of the application as an upload on the Documents tab, or on the Questions tab. Some programs may also ask for other essay questions. These questions could be in addition to, or in lieu of, the personal statement. questions could be in addition to, or in lieu of, the personal statement. There are 7 essay prompts you may choose from. The personal essay demonstrates your ability to write clearly and concisely on a selected topic and helps you distinguish yourself in your own voice. What do you want the readers of your application to know about you apart from courses, grades, and test scores? Choose the option that best helps you answer that question and write an essay of 1,250 - 3,250 characters or 250 - 650 words, using one of the prompts to inspire and structure your response.
5. Some programs require the offline College Report or Mid-Term Report forms. The College Report collects information about your standing at your current institution. The Mid-Term Report collects information about courses in which you are currently enrolled. You can download these forms in the Documents section of the application or from the
6. This section indicates the type and number of recommendations accepted.
7. Each program will specify whether they want high school transcripts. Some use the HS Official recommender type to collect official high school transcripts electronically; others accept unofficial high school transcripts as a document upload. Check with each program to confirm.
8. Some programs have additional application requirements, including SAT/ACT and other test score reporting policies, additional document uploads, a SlideRoom portfolio, or supporting materials (College Report, Mid-Term Report, and Secondary School Final Report). Additional document upload types may include catalog course descriptions, CV/resumes, licenses, military papers, publications, test score reports, unofficial transcripts (high school, college, international, financial), work samples, writing samples, or other. You can find more information on these requirements in the Program Materials section of the application or consult the institution's website for more specific instructions.
