

BUSINESS ADMINISTRATION MAJOR

Transfer Requirements

The following requirements for the major are subject to change without notice. To assure accuracy of the information on this sheet, you should consult with a counselor, the articulation officer, or review articulation agreements via the internet at www.assist.org.

CAREER OPPORTUNITIES

Business Administration programs are designed to prepare people to plan, organize, and control the activities of people and other resources to achieve the objectives of an organization. Typical options under Business Administration major include: Accounting, Finance, Management, Human Resources Management, International Business, Management Information Systems, Operations Management (or Management Science), Marketing, and Business Law, Real Estate and Labor Relations, Transportation and Logistics. Not every college offers all of these options; check with the transfer college catalog or web site of your choice.

BUSINESS ADMINISTRATION AS-T, 2.0

*Required by new students who began college **fall 2022** or thereafter. Students who started prior to summer or fall 2022 and maintained continuous attendance are recommended to follow 2.0 for transfer admission benefits. Continuous attendance is defined as enrolled and received a letter grade, W, P/NP in at least one semester in an academic year.

Check Degree with a guarantee <https://www.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx> to view which emphasis is considered deemed similar. If the degree is not deemed similar, students should follow assist.org major preparation courses.
