

GENERAL STUDIES A.A. DEGREE

The Associate Degree in General Studies provides students with the opportunity to explore diverse methods of inquiry by selecting courses from a cross section of disciplines in an “area of emphasis.” Students will develop critical thinking skills, learn to communicate effectively in writing, acquire an understanding of major concepts to solve problems, and employ methods of scientific inquiry to understand the world around them. Completion of the degree requirements will provide students with the skills and resources needed to make informed academic and career-related decisions.

Completion of the General Studies degree does not guarantee acceptance into a four year university. Students planning to transfer to CSU or UC should complete 60 transferable units, follow the CSU GE Breadth or IGETC pattern, and complete transferable coursework required for the major at the CSU or UC campus.

ASSOCIATE DEGREE IN GENERAL STUDIES: 60 degree applicable units to include the following:

I. GENERAL EDUCATION REQUIREMENTS: (choose one of the following general education patterns)

- **AA General Education Requirements** (minimum of 24 units and the math competency)
- **CSU GE Breadth**, (39 units), this general education (GE) pattern will fulfill lower-division GE requirements at the CSU campuses
- **IGETC**, (34-37 units), this general education (GE) pattern will fulfill lower-division GE requirements at the CSU, UC and some private colleges and universities

II. MAJOR REQUIREMENTS IN AREA OF EMPHASIS: a minimum of 18 units are required in one Area of Emphasis listed below with a minimum grade of C. A minimum of one course from two different disciplines is required in the emphasis; courses selected in the emphasis may also be used to fulfill general education areas on the Associate Degree, CSU GE Breadth, or IGETC pattern.

II. ELECTIVES: Elective units may be necessary to obtain the 60 degree applicable units that are required for the Associate Degree.
