

Intersegmental General Education Transfer Curriculum (IGETC)

University of California and California State University 2023-2024

IGETC is a general education pattern that will meet lower-division general education requirements at most California State University (CSU) or University of California (UC) campuses. Completion of the IGETC is not a requirement for admission to the CSU or UC (UCB requires IGETC or the L&S Requirements in Reading & Composition, Quantitative Reasoning, and Foreign Language for majors in the College of Letters and Sciences; UCR requires IGETC for the Business Administration major), nor will its completion guarantee admission to a CSU or UC campus. The IGETC pattern is not the only way to fulfill lower-division general education requirements. Depending on the major or field of interest, it may be advantageous to fulfill the general education breadth of the specific CSU or UC campus. **Information is subject to change and does not replace an educational plan completed with a counselor.**

UC transfer minimum eligibility for admission: 1) Complete 60 UC transferable units, 2) Earn a minimum GPA of 2.4 (many UC campuses require a higher GPA to be competitive, consult with a counselor for details), 3) Complete a specific pattern of courses (7-course pattern): two transferable English composition courses (UC-E), one transferable math course (UC-M), and four courses from two different areas in Arts and Humanities, Social and Behavioral Sciences, and Physical and Biological Sciences.

Please consult with a counselor to determine whether IGETC is appropriate for your major and educational goals.

General rules for using IGETC:

- | | |
|--|---|
| <p>1. Each course must have been IGETC approved at the time it was taken. See www.assist.org for a list of certified courses and approval dates.</p> <p>2. All courses must be passed with a "C" or higher. A "P" (Pass) is acceptable, UC allows no more than 14 transferable semester units to be completed on a pass/no pass basis. P=C or better.</p> <p>3. Community college courses have limitations on the amount of credit awarded. See a counselor for details and page 3 of this document.</p> | <p>4. International records will not be used toward IGETC</p> <p>5. Students may request IGETC certification through Admissions and Records during the final semester at ECC and will be sent to one university. The online form link: https://elcamino.formstack.com/forms/req_for_certification</p> <p>6. Course work (transcripts) from other regionally accredited universities and colleges needs to be on file at ECC.</p> |

This requirement can be satisfied by completing any combination of two classes that, when combined, fulfill US-1, US-2 and US-3. **These courses may be used to partially satisfy the Area 3B or 4 requirements.**
