EL CAMINO COLLEGE STRATEGIC PLAN 2004-2007

Vision Statement

El Camino College will be the College of choice for successful student learning, caring student services and open access. We, the employees, will work together to create an environment that emphasizes people, respect, integrity, diversity and excellence. Our College will be a leader in demonstrating accountability to our community.

Mission Statement

The mission of El Camino College is to meet the educational needs of its diverse community and ensure student success by offering quality, comprehensive educational opportunities.

Statement of Philosophy

Everything El Camino College is or does must be centered on its community, for without the community, we have no students, no faculty or staff, no reason to exist. It is our community that saw the need and valued the reason for the creation of El Camino College. Therefore, it is to our community that we must be responsible and responsive in all matters educational, fiscal and social.

Statement of Values

Our highest value is placed on our students and their educational goals. Interwoven in that value is our recognition that the faculty and staff of El Camino College are the College's stability, its source of strength and its driving force. With this in mind, our five core values are:

People – We strive to balance the needs of our students, employees and community.

Respect – We work in a spirit of cooperation and collaboration.

Integrity – We act ethically and honestly toward our students, colleagues and community.

Diversity – We recognize and appreciate our similarities and differences.

Excellence – We aspire to deliver quality and excellence in all we do.

Guiding Principles

The following guiding principles are used to direct the efforts of the District:

El Camino College must strive for distinction in everything the College does—in the classroom, in services and in human relations. Respect for our students, our fellow employees, our community and ourselves, must be our underlying goal.

Cooperation among our many partners is vital for our success—whether they be other schools and colleges, businesses and industries, or individuals.

Access and opportunity must never be compromised. Our classrooms are open to everyone who meets our admission eligibility and our community programs are open to all. This policy is enforced without discrimination and without regard to gender, ethnicity, personal beliefs, abilities or background.

Strategic Goals 2004-2007

1. Support and constantly improve the quality of our educational offerings.
2. Promote student-centered learning to increase student success.
3. Support innovative practices that enhance the educational experience.
4. Foster a climate that promotes integrity and accountability.
5. Support and develop effective and motivated employees.
6. Improve and enhance internal and external communication.
7. Incorporate flexibility into institutional structure and process.

EL CAMINO COMMUNITY COLLEGE DISTRICT
MINUTES OF THE REGULAR MEETING OF
Monday, November 20, 2006

The Board of Trustees of the El Camino Community College District met at 4:30 p.m. on Monday, November 20, 2006, in the Board Room at El Camino College.

The following Trustees were present: Trustee William Beverly, President; Trustee Mary E. Combs, Vice President; Trustee Nathaniel Jackson, Secretary; Trustee Ray Gen, Member; Trustee Maureen O'Donnell, Member; and Mr. Julian Peters, Student Member.

Also present were Dr. Thomas M. Fallo, Superintendent/President; Dr. Francisco Arce, Vice President, Academic Affairs; Dr. John Baker, Interim Vice President, Student Services; and Dr. Jeffrey Marsee, Vice President, Administrative Services.

Minutes of the Regular Board Meeting of October 16, 2006

The Minutes of the Regular Board Meeting of October 16, 2006 were approved.

Public Hearing – Notice of Intent to Enter Into Energy Services Contract and to Lease and/or Purchase of Energy Conservation Facilities Construction

It was moved by Trustee O'Donnell, seconded by Trustee Jackson, that a Public Hearing regarding the Notice of Intent to Enter Into Energy Services Contract and to Lease and/or Purchase Energy Conservation Facilities Construction opened at 4:32 p.m. Motion carried. Student Trustee Peters recorded an advisory yes vote.

No comments were made. It was moved by Trustee Jackson, seconded by Trustee O'Donnell, that the Public Hearing be closed at 4:33 p.m.

Contract – Chevron Energy Solutions and ACCO Engineered Systems

It was moved by Trustee O'Donnell, seconded by Trustee Combs that the Board approve entering into a contract with the joint venture of Chevron Energy Solutions and ACCO Engineered Systems to construct the

Central Plant Project according to the plans and specifications of Request for Proposal #06-005.

Government Code 4217 gives public agencies the ability to procure energy conservation projects through a selection and negotiation process. The Central Plant qualifies as such a project and this procurement process was used.

Proposals were solicited from 17 firms. Four firms responded with proposals. Three firms were interviewed by a panel of District managers and project staff. The fourth firm was not interviewed because the cost of its proposal was significantly higher than the three firms interviewed.

Chevron Energy Solutions and ACCO Engineered Systems was selected based upon the judgment of the selection panel that its proposal represented the best value to the District.

The primary factors considered in making selection included price, the vendor's prior experience with this type of project and the experience and expertise of the proposed project team.

The low proposal was not selected because:

1. The firm failed to demonstrate prior experience in similar projects.
2. The presentation of a value engineering proposal that would have required DSA approval that would have resulted in a timely and costly delay.

Dates of Service: November 21, 2006 though March 31, 2008.

Cost: Not to Exceed \$12,245,000.

Other Vendors: Honeywell Building Solutions - \$17,250,000, Southland Industries - \$13,998,000, Compass Energy Solutions - \$11,482,000

Motion carried. Student Trustee Peters recorded an advisory yes vote.

Consent Agenda

It was moved by Student Trustee Peters, seconded by Trustee Combs, that the Board adopt the items presented on the agenda in the following areas.

Administrative Services

A. CONTRACTS UNDER \$65,100

It is recommended that the Board of Trustees, in accordance with Board Policy 6340, ratify the District entering into the following agreements. The Vice President of Administrative Services, or his authorized designee, has executed the necessary documents.

1. Behavioral & Social Sciences Division

Under the Academic Affairs Area, the Child Development Center (CDC) has obtained the following grants.

San Francisco Community College District (SFCCD)

9/1/06-6/30/07

This grant is valued
at \$12,302.

As part of the California Early Childhood Mentor Program, El Camino Community College District (ECCD) is being funded by San Francisco Community College District (SFCCD) to mentor the Compton Center Child Development Program. Services include coordinating and offering an adult supervision course and seminars for mentors and directors; coordinating and developing mentoring programs; offering honoraria for faculty working with the college mentoring program; providing books and other instructional materials for mentors; and printing and copying mentor materials.

Yosemite Community College District – Child

Development Training Consortium

8/1/06 – 7/31/07

This grant is valued
at \$27,800.

YCCD/CDTC will assist the El Camino College Child Development Department in determining and meeting the needs of individuals seeking new or maintaining currently held child development permits. YCCD/CDTC will pay the El Camino Community College District for student fees and services per the terms of the contract in an amount not to exceed \$27,800 upon receipt of properly completed documentation including an original 2006-2007 Participant Profile for each enrolled student for each semester/term.

2. CalWORKS

The District receives funds through a grant from the State of California CalWORKS Program to assist welfare recipient students obtain the educational level needed to transition off welfare and ultimately achieve long-term self-sufficiency. These funds enable community colleges to be a full partner in the statewide welfare reform system by requiring colleges to provide the following direct student support services: (1) service coordination; (2) curriculum development and redesign; (3) work-study; (4) subsidized child care; and (5) job development and job placement.

Administrative Services

Through affiliate agreements, the CalWORKS Office assists in providing support programs for students who are financially and educationally disadvantaged.

<u>Contractor</u>	<u>Dates of Services</u>	<u>Contract Amount</u>
<u>Clean Street</u>	11/1/06 – 6/30/07	State Funded

Contractor agrees to provide part-time work activity opportunities to CalWORKS students.

3. Industry & Technology Division

The industrial technology program is designed to prepare students to transfer to programs in engineering technology or industrial technology. Industrial technologists are employed in a wide range of careers including managers, management representatives, administrators, production supervisors, trainers, technical support specialists, and technology educators.

<u>Contractor</u>	<u>Dates of Services</u>	<u>Contract Amount</u>
<u>Los Angeles Fire Department</u>	5/12/06 – 5/13/2009	No Cost

This is an affiliation agreement between the District and the Los Angeles Fire Department to provide access to and maintain staff and equipment for paramedic students to meet educational goals. This includes the assignment of a preceptor, implement schedules, protect health and safety of students and maintain required certificates. The District provides clinical and field internship experience to students enrolled in its Fire and Emergency Technology-Paramedic Technician Training Programs, as part of its credit instructional program, through affiliate agreements.

<u>Compton Fire Department</u>	11/1/06 – until cancelled	No Cost
--------------------------------	---------------------------	---------

This is an affiliation agreement between the District and the City of Compton Fire Department to provide access to and maintain staff and equipment for paramedic students to meet educational goals. This includes the assignment of a preceptor, implement schedules, protect health and safety of students and maintain required certificates. The District provides clinical and field internship experience to students enrolled in its Fire and Emergency Technology-Paramedic Technician Training Programs, as part of its credit instructional program, through affiliate agreements.

<u>Kaiser Foundation Hospitals</u>	7/1/06 – 6/30/07	No Cost
------------------------------------	------------------	---------

This is an affiliation agreement required by hospitals to support the ECC Paramedic Training Program. The 9th course in a sequence of 10 courses includes 160 hours of training in hospital emergency rooms under the supervision of an ECC faculty member and hospital emergency room personnel. This agreement provides access for qualified paramedic students and for assistance from faculty in the supervision of students in a clinical setting for twenty, 8-hour shifts in an emergency room.

National Science Foundation (NSF) – Advanced Aerospace Manufacturing Education Project

The Board of Trustees, at their June 19, 2006 meeting, approved accepting a grant from the National Science Foundation for this project. The project addresses a need for technical training and education in an industry that is critical to the national interests and will incorporate the best practices from similar projects funded by the NSF and others that have been aimed at other industries. El Camino College, in partnership with Oregon Institute of Technology, Purdue University, and Wichita Area Technical College, will develop and implement curricula. Project participants Boeing, Lockheed Martin, Vought Aircraft and Northrop Grumman will be responsible for implementation of current technology in the manufacturing of aircraft, and the planning for implementation of future technologies. Total amount of Grant Funding from Granting Agency is \$238,607.

Oregon Institute of Technology	7/1/06 - 6/30/07	\$54,634
Purdue University	7/1/06 - 6/30/07	\$49,638

C. MEMORANDUM OF UNDERSTANDING

(* Please note this item was pulled from Consent Agenda and discussed separately. Please see minutes for details.)

It is recommended that the revised Memorandum of Understanding (MOU) between the El Camino Community College District and the Compton Community College District be approved as presented – see attached document.

**MEMORANDUM OF UNDERSTANDING BETWEEN THE EL CAMINO COMMUNITY
COLLEGE DISTRICT AND THE**

COMPTON COMMUNITY COLLEGE DISTRICT

This Memorandum of Understanding is made and entered into on the _____ day of _____, 2006, by and between the El Camino Community College District (hereinafter referred to as “El Camino”) and the Compton Community College District (hereinafter referred to as “Compton”), acting by and through the Special Trustee appointed by, and acting on behalf of, the Chancellor of the California Community Colleges. In consideration of the mutual commitments contained herein, the parties agree as follows:

1. This Memorandum of Understanding, and the parties’ implementation of it, is intended to provide a set of binding mutual understandings to achieve the following goals:

A. Provide the students and residents of Compton with access to accredited community college programs and services without interruption and in a way that minimizes the disruption students will experience.

B. Specify the various rights and responsibilities of each party in providing those programs and services.

C. Create the conditions under which Compton will have a genuine opportunity to re-establish its accreditation and regain its independence as an autonomous institution.

D. Build effective, mutually respectful relationships between and among the faculty, staff and administrators of El Camino and Compton.

2. As authorized by the Chapter 50 of the Statutes of 2006 (A.B. 318), El Camino shall establish an educational center to be known as the “El Camino Community College District Compton Community Educational Center,” also known as “El Camino College Compton Center” (hereinafter referred to as the “Center”) on Compton’s facilities in Compton, California. The educational program offered by El Camino at the Center shall consist of a full range of credit and non-credit offerings, and related student support services, as specifically agreed to (and from time to time modified as may be necessary) by the two parties. All programs and services offered at the Center shall be offered exclusively by El Camino. Compton shall not use the term “College” to refer to Compton nor in connection with any activities undertaken by Compton.

3. Without implying any limitation on the programs and services to be provided, the parties agree that El Camino will include the following among the programs and services it provides at the Center:

A. EOPS, DSPS, CalWorks, GAIN and other categorical programs that are separate from and independent of equivalent programs at El Camino's main campus;

B. An Associated Student Body organization at the Center that is separate from and independent of the Associated Student Body organization at El Camino's main campus; and

C. Subject to approval by the Commission on Athletics of the Community College League of California, intercollegiate athletic teams that are separate from and independent of the athletic teams at El Camino's main campus.

4. If El Camino does not currently offer programs or services that El Camino and Compton, after consulting with the other through the curriculum and program review process, reasonably determines are appropriate and necessary to meet the educational needs of the students and residents of Compton (for example, a larger number of non-credit and developmental courses than now appears in El Camino's curriculum), El Camino shall promptly undertake all reasonable efforts to adopt appropriate curriculum or services. If El Camino reasonably determines that it cannot adopt appropriate curriculum or services requested by Compton, or that doing so would be impractical or ill-advised, El Camino shall work with Compton to attempt to find an alternative means of providing the programs or services. If necessary, such action will require approval from the Accrediting Commission for Community and Junior Colleges (ACCJC) through the substantive change proposal process.

5. The educational program and student support services offered at the Center shall be clearly identified as exclusively programs and services of El Camino, and El Camino shall have full authority over all aspects of the programs and services offered at the Center, including but not limited to, curriculum development and approval, program review, student assessment, faculty and staff qualifications and evaluation of performance, student services and institutional planning for the Center. However, El Camino and its Academic Senate shall initiate appropriate measures by which faculty employed by Compton but assigned to provide educational and support services at the Center are appropriately engaged in those activities and accorded appropriate professional standing in academic and professional matters as they relate to the Center.

6. El Camino shall have the responsibility to ensure compliance with all federal requirements to ensure that eligible students enrolled at the Center remain eligible for federal financial assistance.

7. Compton shall make appropriate District facilities available to El Camino without charge and shall name those facilities the “El Camino College Compton Center.”

8. The Chief Operating Administrator of the Center shall be a Provost, who shall be responsible to, and supervised by, the Superintendent/President of El Camino in connection with the proper oversight and administration of the educational and student support services at the Center. The Provost shall be appointed with the concurrence of El Camino and Compton and shall serve at the pleasure of El Camino and Compton. While the Provost will report to the Superintendent/President of El Camino, he or she shall be an employee of Compton and Compton shall retain the discretion to assign additional duties to the Provost, including duties as the Chief Executive Officer of the Compton Community College District. In the event the Provost simultaneously serves as Compton’s Chief Executive Officer, he or she shall be responsible to, and supervised by, the Special Trustee of the Compton Community College District only for those aspects of his or her assignment that relate to service as Compton’s Chief Executive Officer.

9. El Camino and Compton shall agree upon a staffing plan for the Center that identifies every position, in addition to the position of Provost, which will be needed to provide educational and support services at the Center and that specifies which of the positions Compton will fund. The parties shall implement the staffing plan as follows:

A. To the extent the parties determine necessary and appropriate, Compton shall propose assignment of its current employees to provide services at the Center pursuant to the staffing plan. Before any individual employee is assigned to provide services at the Center, El Camino, in its sole discretion, shall have the right to review the employee’s qualifications and to determine if the assignment is an appropriate one. If El Camino determines that the assignment is appropriate, the employee shall remain an employee of Compton and shall not become an employee of El Camino, but he or she will provide services at the Center under the day-to-day supervision of El Camino. If El Camino determines that the assignment is not appropriate and declines to accept the employee, he or she shall not be assigned to provide services for El Camino at the Center.

B. If new employees need to be hired by Compton pursuant to the staffing plan, Compton shall promptly undertake reasonable efforts to recruit qualified employees for those positions. Before extending an offer of employment to any individual who will provide services at the Center, Compton shall consult with El Camino to ensure that El Camino has the opportunity to review the prospective employee’s qualifications and to determine if his or her assignment to provide services at the Center under El Camino’s day-to-day supervision is appropriate pursuant to El Camino’s authority under Section 9.A, above, to approve assignments. The process by which El Camino

completes its review and confirms its assent to the selection of a prospective employee shall be specified in the search and selection procedures that Compton and El Camino shall jointly develop. Barring an urgent need to hire new employees, the parties intend to avoid all hiring until they have developed appropriate search and selection procedures. If it is deemed necessary to hire an employee before procedures are developed and adopted, Compton shall use search and selection procedures that are analogous to El Camino's existing procedures and delegate responsibility for conducting the administrative aspects of the recruitment and selection process to El Camino.

C. Every Compton employee who is assigned to provide services at the Center shall do so pursuant to Education Code Section 74293. No such employee shall be deemed to be an employee of El Camino nor shall any such employee gain any status with El Camino for any purpose.

10. El Camino shall have the primary right to direct the activities of employees assigned to provide educational and student support services at the Center consistent with Compton's role as the employer of those individuals. El Camino shall provide employee performance assessments to Compton regarding the services provided by Compton's employees and, if El Camino finds that it is necessary to do so, El Camino may reassign a Compton employee back to Compton after providing Compton with a reasonable opportunity to remedy any circumstances that El Camino believes warrants the reassignment.

11. Nothing in this agreement shall be construed to limit El Camino's ability to assign its own employees to oversee activities or to manage the educational and student support services at the Center, or to employ employees of any type or class as otherwise authorized by law as needed to provide oversight of activities or the management of educational and student support services at the Center. Any person who provides services pursuant to this paragraph shall remain an employee of El Camino and shall not be deemed to be an employee of Compton nor shall any such employee gain any status with Compton for any purpose. If they deem it to be appropriate, El Camino and Compton may also enter into inter-jurisdictional agreements with each other to exchange employees needed for an interim period for a specific job classification.

12. Compton shall remain responsible for the salary and benefits of its employees assigned to provide educational and student support services at the Center and El Camino shall remain responsible for the salary and benefits of its employees assigned to provide educational and student support services at the Center. Neither party shall have any responsibility for the salary or benefits of the other party's employees.

13. As soon as it is achievable following the approval of this agreement, the parties shall organize meetings between appropriate representatives of their respective Academic Senates. The purpose of the meetings is to initiate a dialog between the

parties regarding the academic and professional implications of establishing an educational center that is geographically separate from the El Camino campus and that serves a student population that has its own particular educational needs and expectations.

14. All of the following functions shall remain independent of the Center and shall be managed exclusively by Compton:

A. Bond-funded construction and other capital improvement projects associated with the facilities in Compton at which the Center is located.

B. Business and other administrative functions that relate exclusively to the management of the Compton Community College District and not the Center.

The parties may agree on other functions or activities that will remain under the supervision and control of Compton; provided, however, that Compton shall not assume any responsibility that requires status as an accredited institution or which, if performed by Compton, would pose a demonstrable risk to El Camino's accreditation.

15. As soon after the approval of this Memorandum of Understanding as practicable, the parties shall begin work on devising an explicit methodology by which they will attempt to resolve any disputes that arise between them regarding the interpretation and application of this agreement.

16. The term of this Memorandum of Understanding shall be from August 26, 2006, through the end of business on June 30, 2011; provided, however, that it is the intent of the parties to negotiate a comprehensive agreement regarding the continued operation of the El Camino College Compton Center ~~for a period of at least five years. El Camino's decision to enter into such a contract is conditional~~ upon enactment of ~~urgency~~ cleanup legislation compatible with the termination/waiver provisions set out in Paragraph 17 of this MOU, and conditional upon El Camino receiving additional annual state funding of at least \$2,000,000 based upon operating a Center and based upon enrollment in excess of 20,000 FTES. The parties agree to begin negotiations on that comprehensive agreement immediately with the aim of completing the negotiations no later than ~~December 31, 2006~~ the effective date of the above legislation. Once approved by the Chancellor of the California Community Colleges, acting through the Special Trustee of the Compton Community College District, and the Board of Trustees of the El Camino Community College District, the comprehensive agreement between the parties will supersede this Memorandum of Understanding in its entirety.

17. Notwithstanding Paragraph 16 regarding the term of this Memorandum of Understanding, or any other provision of this agreement to the contrary, either party may initiate termination of this Memorandum of Understanding, or any subsequent

agreements between the parties, by giving 90 days written notice to the other party and to the Board of Governors of the California Community Colleges. No termination pursuant to this paragraph may take effect until the end of the semester following the notice provided under this paragraph so as to protect students from a mid-term interruption of educational services. It is expressly understood, however, that in the event El Camino terminates this or any successor agreement between the parties pursuant to this paragraph, the Chancellor of California Community Colleges shall meet with the Superintendent/President of El Camino to determine if the proposed termination by El Camino relates to factors that can be resolved with the Chancellor's assistance. If that is not the case, and if El Camino declines to withdraw its notice of termination within ninety days after it was initially given to Compton and the Board of Governors, the Special Trustee shall immediately exercise the discretion delegated to him or her under Education Code Section 74292(1)(2), regarding termination of the agreement. In that event, the Special Trustee, the Chancellor and the Board of Governors of the California Community Colleges will be deemed to have waived any and all rights whatsoever that they may have to require El Camino to continue to provide services. This waiver provision is irrevocable; and is a material inducement for El Camino's agreement to execute this Memorandum of Understanding.

18. El Camino shall provide fiscal and administrative oversight for the operation of the Center and all matters related to the Center. The budget for the Center shall be jointly developed and approved by El Camino and Compton. Compton shall provide fiscal and administrative oversight of any activities of Compton which are separate from, and unrelated to, the Center; e.g., Compton's bond program.

19. Within thirty days of the execution of this Memorandum of Understanding, Compton shall remit to El Camino the sum of \$500,000 towards the full compensation that El Camino shall be entitled to receive for administrative overhead it will incur preparing for and implementing this Memorandum of Understanding. Other reimbursable expenditures, not to exceed \$1,000,000 annually, shall be paid promptly by Compton upon submission by El Camino of appropriate invoices.

20. Compton shall save, defend, hold harmless, and indemnify El Camino in connection with any and all claims, actions or lawsuits that arise in any manner from the acts or omissions of Compton, its officers, employees or agents in the performance of this agreement or that arise in any manner from the acts or omissions of El Camino, its officers, employees or agents in the performance of this agreement. It is expressly understood that in the event of a claim, action, or lawsuit based upon an act or omission of a Compton employee assigned to provide services at the Center under this agreement, the Compton employee shall not be deemed to be an agent of El Camino unless the act or omission giving rise to the claim, action or lawsuit was one required by El Camino or taken at the explicit direction of an El Camino supervisor or manager.

IN WITNESS WHEREOF, the parties have executed this agreement on _____, 2006.

E. Adjustment to Final Budget 2006-2007

It is recommended that the Board of Trustees adjust the 5910 Other Programs and Services account to allocate agreed recommendations from the Planning and Budget Committee for some of the remaining \$1,425,049 of the \$2.5 million originally appropriated to the account.

Background. On September 5th Final Budget approval, \$1,075,451 was allocated from the \$2.5 million account for programs and services at El Camino College. The remainder of the \$2.5 million was under review for recommendations by the Planning and Budget Committee.

The following list represents the President's recommendations from the Planning and Budget Committee's endorsements.

1. \$112,000 Distance Education - Expansion Plan.
 2. \$50,000 2006-2007 Enrollment Management Plan – Expansion.
 3. \$15,000 Financial Aid - Automated Packager.
 4. \$25,000 First-Year Experience - Expansion.
 5. \$10,000 Financial Aid – Extend service hours.
 6. \$10,950 Industry and Technology – Provide additional non-instructional staff for student support.
 7. \$14,095 Natural Sciences - Student-led tutorials.
 8. \$84,000 Business – Supplemental instruction: help desk and tutoring software.
 9. \$40,000 Humanities – Additional equipment and software for adaptive technology and accessible workstations.
 10. \$1,000 Humanities – Increase mentoring activities
- \$362,045 Total Transfer

Community College Governance, Funding Stabilization, and Student Fee Reduction Act

Trustee Mary E. Combs requests that the El Camino Community College District Board of Trustees consider adopting a resolution in support of the “Community College Governance, Funding Stabilization, and Student Fee Reduction Act.”

**Resolution in Support of the Community College Governance,
Funding Stabilization, and Student Fee Reduction Act**

WHEREAS, California Community Colleges serve 2.4 million students annually through a system of 72 locally-established and governed community college districts with 109 colleges within a statewide system;

WHEREAS, California Community Colleges need stable funding, predictable student fees, local control, and the ability to provide effective leadership for the system of 109 colleges;

WHEREAS, the California Community College Initiative (officially known as the Community College Governance, Funding Stabilization, and Student Fee Reduction Act) would ratify the bilaterally-governed community college system by placing it in the State Constitution, thereby securing local governance while enhancing state leadership;

WHEREAS, the use of the actual community college enrollment growth figure would avoid the artificial funding cap that would otherwise be imposed on community colleges over the next ten years because of declining K-12 enrollment;

WHEREAS, the California Community College Initiative will provide additional funds to the El Camino Community College District over the next five years;

WHEREAS, the California Community College Initiative would not threaten funding for K-12 education in California because primary and secondary education would retain a separate funding mechanism tied to its growth;

WHEREAS, the California Community College Initiative funds the increase to community colleges over the next ten years through natural growth in the state's general fund, without raising taxes;

WHEREAS, the California Community College Initiative reduces student fees to \$15 to make them stable and predictable as well as consistent with personal income, and

prohibits the Legislature from increasing fees in the future by more than the change in per capita personal income;

WHEREAS, the California Community College Initiative ensures that fee revenue stays with the community colleges for the improvement of education, instead of being diverted to other state programs;

WHEREAS, the California Community College Initiative would allow the Board of Governors and Chancellor to hire the senior staff professionals currently appointed by the governor, and thus have the same authority as that provided to the UC President and CSU Chancellor;

WHEREAS, the California Community College Initiative includes provisions in the state constitution for locally-elected governing boards accountable to voters and for a statewide chancellor hired by a board appointed by the governor;

NOW, THEREFORE, be it resolved, that the Board of Trustees of the El Camino Community College District supports the Community College Governance, Funding Stability, and Student Fee Reduction Act.
