If any Certificate shall become mutilated, the Certificate Agent shall execute and deliver a new Certificate of like tenor and maturity in exchange and substitution for the Certificate so mutilated, but only upon surrender to the Certificate Agent of the Certificate so mutilated. Every mutilated Certificate so surrendered to the Certificate Agent shall be canceled by it. If any Certificate shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Certificate Agent, and, if such evidence is satisfactory to the Certificate Agent and, if an indemnity satisfactory to the Certificate Agent shall be given, the Certificate Agent shall execute and deliver a new Certificate of like tenor and maturity and numbered as the Certificate Agent shall determine in lieu of and in substitution for the Certificate so lost, destroyed or stolen. The Certificate Agent may require payment of an appropriate fee from the Registered Owner of such lost, stolen or destroyed Certificates for each new Certificate delivered under this Section. Any Certificate executed and delivered under the provisions of this Section in lieu of any Certificate alleged to be lost, destroyed or stolen shall be equally and proportionately entitled to the benefits of this Agreement with all other Certificates secured by this Agreement.

SECTION 3.8 Use of Depository Trust Company. Notwithstanding any provision of this Agreement to the contrary:

(a) The Certificates shall be initially delivered and registered as provided in Section 3.4. Registered ownership of the Certificates, or any portion thereof, may not thereafter be transferred except:

(i) To any successor of DTC or its nominee, or to any substitute Securities Depository designated pursuant to clause (ii) of this subsection (a) (“Substitute Depository”); *provided* that any successor of DTC or a Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any Substitute Depository designated by the Treasurer and not objected to by the Certificate Agent, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) or (2) a determination by the Treasurer that DTC or its successor (or any Substitute Depository or its successor) is no longer able to carry out its functions as the Securities Depository; *provided* that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or Substitute Depository or its successor) from its functions as depository; *provided* that no Substitute Depository which is not objected to by the Certificate Agent can be obtained or (2) a determination by the Treasurer that it is in the best interests of the beneficial owners of the Certificates to remove DTC or its successor (or any Substitute Depository or its successor) from its functions as Securities Depository hereunder.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) hereof, upon receipt of the outstanding Certificates by the Certificate Agent, together with a request from the Treasurer to the Certificate Agent, a single new Certificate shall be executed and delivered in the aggregate principal amount of the Certificates then outstanding, registered in the name of such successor or such Substitute Depository, or their nominees, as the case may be, all as specified in such request from the Treasurer. In the case of any transfer pursuant to clause (iii) of subsection (a) hereof, upon receipt of the outstanding Certificates by the Certificate Agent, new Certificates shall be executed and delivered in such denominations and registered in the names of such persons as are requested by DTC or its successors, subject to the limitations of Section 3.4 hereof.

(c) The Treasurer and the Certificate Agent shall be entitled to treat the person in whose name any Certificate is registered as the Registered Owner thereof for all purposes of this Agreement and any applicable laws, notwithstanding any notice to the contrary received by the Certificate Agent; and the Treasurer and the Certificate Agent shall have no responsibility for transmitting payments to, communication with, notifying or otherwise dealing with any beneficial owners of the Certificates. The Treasurer and the Certificate Agent will have no responsibility or obligations, legal or otherwise, to the beneficial owners or to any other party including DTC or its successors, except for the Registered Owner of any Certificate.

payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

(e) Notwithstanding the foregoing, at any time during the Fiscal Year, the Treasurer may determine that participation in the book-entry only system of DTC is no longer in the best interests of the Pooled Program and may thereupon provide for certificated securities representing the Certificates. In the event the Treasurer determines that the continuation of the system of book-entry only transfers through DTC (or a successor securities depository) is not in the best interests of the Pooled Program, the Treasurer will notify DTC of the availability through DTC of certificated securities representing the Certificates. In such event, the Treasurer shall direct the Certificate Agent to execute and deliver and shall register Certificates in Authorized Denominations as requested by DTC.

SECTION 3.9 Certificate Register. The Certificate Agent will keep or cause to be kept, at its Principal Corporate Trust Office, sufficient books for the registration and transfer of the Certificates which shall at all times be open to inspection by the Treasurer during regular business hours with reasonable prior notice; and, upon presentation for such purpose, the Certificate Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on said books, Certificates as hereinbefore provided. The Treasurer and the Certificate Agent shall be entitled to treat the Registered Owner of a Certificate as the absolute owner thereof for all purposes, whether or not a Certificate shall be overdue, and the Treasurer and the Certificate Agent shall not be affected by any notice to the contrary.

SECTION 3.10 Place and Manner of Payment. The Certificates shall be payable upon surrender thereof by check or wire transfer in lawful money of the United States of America (but only from amounts received in payment of the Notes) at the office of the Fiscal Agent. The Certificate Agent may conclusively rely upon such written direction from the County as to the suitability, compliance with the investment policy of the County, and legality of the directed investments. The County acknowledges that regulations of the Comptroller of the Currency grant the County the right to receive brokerage confirmations of the security transactions as they occur, at no additional cost. To the extent permitted by law, the County specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Certificate Agent that no brokerage confirmations need be sent relating to the security transactions as they occur

SECTION 4.2 Costs of Delivery. There is hereby established with the Certificate Agent the Costs of Delivery Fund. Amounts in the Costs of Delivery Fund shall be invested in Permitted Investments until expended. The Certificate Agent will make payment by check or wire transfer from amounts on deposit in the Costs of Delivery Fund for costs of delivery as may be requested by the Office of Education upon receipt by the Certificate Agent of a requisition signed by an authorized officer of the Office of Education. In the event the total of any requisition exceeds the amount then on deposit in the Costs of Delivery Fund, the Certificate Agent shall promptly notify the Office of Education of the shortfall, and await further instructions from the Office of Education.

On the earliest of the date on which all amounts in the Costs of Delivery Fund are expended or the first business day equal to or greater than 180 calendar days subsequent to the date of delivery of the Notes or as designated by the Office of Education, the Certificate Agent shall close the Costs of Delivery Fund and any remainder from the Costs of Delivery Fund shall be refunded to the Treasurer for subsequent *pro rata* credit to the Participants.

ARTICLE V

COUNTY COVENANTS; PLEDGED REVENUES

SECTION 5.1 Punctual Payment. The County covenants that it shall duly and punctually cause to be paid from the payments of principal of and interest on the Notes payable on the Maturity Date thereof the principal and interest with respect to each Certificate at the place and in the manner stated in the Certificates and in accordance with the provisions of this Agreement. The County further covenants that it shall faithfully observe and perform all of the conditions, covenants and requirements of this Agreement which are expressly applicable to the County, and that it shall not, except as provided hereunder, pledge, assign, subject to any lien or otherwise encumber the Notes, or any interest therein other than as contemplated by the terms of this Agreement. The County acknowledges and agrees, in furtherance of the terms, intent and purposes of each District Note Resolution, to recognize each Registered Owner as the beneficial owner of the Note of each such Participant, in each case to the extent of such Registered Owner's direct, proportional and undivided interest in such Note, and following a default with respect to a related Certificate, such Registered Owner individually shall have and may exercise any and all rights and remedies directly against each such Participant to the full extent as if such Registered Owner were the owner of record of Notes of each such Participant in principal amount equal to such Registered Owner's direct, proportional and undivided interest in such Notes.

SECTION 5.2 Intercept Procedure. The County covenants that it will intercept the amounts previously deposited in each Participant's general fund as set forth in Section 5.3 and 5.4 herein and in Exhibit C – "Repayment Schedule" hereto and the Notes, and place such amounts on deposit directly in the Repayment Fund held by the County with a designation of the amounts to be credited for each Participant. Upon each such deposit, such funds will be invested in the Los Angeles County Treasury Pool, or in such other Permitted Investments and will not be available to the Participants. In the event that there have been insufficient Pledged Revenues received by a Participant by the third Business Day prior to any Pledge Date to permit the deposit into its Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Treasurer shall direct the Los Angeles County Auditor-Controller (the "Auditor-Controller") to collect the amount of any deficiency and deposit such amount in the Repayment Fund in such amount as may be directed by the Treasurer from any other unrestricted moneys of the affected Participant lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis, when and as such Pledged Revenues and unrestricted moneys are received by the affected Participant and will deposit said moneys with the Treasurer for deposit directly in the respective Repayment Fund.

SECTION 5.3 Pledged Revenues. In order to facilitate the collection of the Pledged Revenues, the County shall hold Pledged Revenues which have been deposited from specific amounts from the respective Participant's funds on deposit with the Treasurer for such purpose and received from each of the respective Participants for the account of such respective Participants established under the respective Participants' Note Resolutions. The Treasurer shall transmit or cause to be transmitted a monthly statement on a per-Participant basis of all transactions and investments made by or through the County and of all amounts on deposit with

the County hereunder, including, in the event that sufficient Pledged Revenues have not been timely deposited in a Participant's Repayment Fund in accordance with its District Note Resolution, written confirmation of such event, to the Office of Education, and shall invest such Pledged Revenues in the Los Angeles County Treasury Pool or in such other Permitted Investments.

All principal and interest payments on the Notes shall be paid directly by each Participant to the Treasurer or by the Auditor-Controller to the County pursuant to the procedure set forth in Section 5.2 above. All principal and interest payments on the Notes received by the Treasurer shall be held in trust by the Treasurer under the terms of this Agreement and shall be deposited by it, as and when received, in the Repayment Funds of the respective Participants established under this Agreement. All money in the Repayment Funds shall be held in trust by the Treasurer for the benefit and security of the Registered Owners of the Certificates to the extent provided in this Agreement and shall be invested in the Los Angeles County Treasury Pool or in such other Permitted Investments. Moneys received by the Treasurer attributable to a Participant shall not be used in any manner (directly or indirectly) to make up any deficiency in Note payments of any other Participant. Notwithstanding any deposit to a Repayment Fund, each Participant shall remain obligated to pay the principal of and interest on its respective Note in accordance with its terms.

To the extent the Treasurer receives Note payments from a Participant that are less than the amounts required to pay the interest due on such Participant's Note on the Maturity Date thereof, and the principal on such Note payable on the Maturity Date thereof, the Treasurer shall apply the moneys received first, to pay interest on such Note, and second, to pay the principal of such Note. Any moneys deposited in the Repayment Funds for the Notes shall be for the sole benefit of the Registered Owners of the Certificates, and until the Notes and all interest thereon are paid or until provision has been made for the payment of the principal of and interest on the Notes payable on the Maturity Date thereof, the moneys in the Repayment Funds shall be applied only for the purpose for which such Repayment Funds are created.

If the amount on deposit in a Participant's Repayment Fund is in excess of the amounts required to pay the principal of and interest on the respective Note payable on the Maturity Date thereof, and after the payment of interest and principal with respect to the Certificates corresponding to such Participant's Note, the Treasurer shall pay over for the account of the Participant all moneys or deposits or investments held by it pursuant hereto and attributable to such Participant which are not required for the payment of principal of and interest on such Note.

SECTION 5.4 Pledge of Notes and Unrestricted Revenues. The Notes and all right, title and interest therein and all payments thereon are irrevocably assigned, pledged and transferred to the Certificate Agent for the benefit of the Registered Owners of the Certificates. The Debt Service Payments on the Notes, together with investment earnings thereon, shall be used for the payment of interest and principal with respect to the Certificates and the Notes will not be used for any other purpose while any of the Certificates remain outstanding. The assignment, transfer and pledge of the Notes to the Certificate Agent pursuant to this Agreement

shall constitute a first and exclusive lien on the principal and interest payments and all other rights under the Notes in accordance with this Agreement.

Pursuant to Section 53856 of the Act, each Participant has pledged in its respective District Note Resolution and Note as security for the payment of the principal of and interest on its respective Note the first Unrestricted Revenues received by the Participant in the Repayment Month until the amount in the respective Repayment Fund is equal to the percentage stated in the respective District Note Resolution and in this Section of principal due on its respective Note at maturity plus interest due at maturity; provided that, the amounts due in the Repayment Month shall take into consideration anticipated earnings to be received from Permitted Investments through the end of the Participant’s Repayment Month, whichever is earlier. The principal of each Note and the interest thereon shall be payable from the Pledged Revenues and, to the extent not so paid, shall be paid from any other moneys of the Participant lawfully available therefor.

The County covenants that all Pledged Revenues transferred pursuant to the schedule set forth in this Section will be held in trust in the respective Repayment Funds and will be applied only for the purposes for which such Repayment Funds were created and as directed in the District Note Resolutions for the benefit of Registered Owners of the Certificates. The County represents that this Agreement creates a valid, binding lien on and first priority perfected security interest in Pledged Revenues in favor of the Registered Owners as security for payment of the principal of and interest on the Notes.

The amounts determined by applying the foregoing percentages to the principal amount of each Participant’s Note represent the Pledged Revenues for the Notes, as defined and

pledged in the related District Note Resolutions, and the principal and interest due with respect to the Certificates shall be payable from such Pledged Revenues, and to the extent not so paid shall be paid from any other moneys of the related Participants lawfully available therefor.

SECTION 5.5 Participants Not Liable for other Participant's Default. No Participant has covenanted to pay or provide for the payment of any other Participant's Pledged Revenues, and the Repayment Funds for the several Participants are not pooled. No Participant's Repayment Fund is available to make up a deficiency in the Repayment Fund of another Participant or payment of principal of and interest on another Participant's Note. One Participant's default in the payment of principal of and interest on its Note will cause a partial default in the payment of the Certificates, even though the non-defaulting Participants make timely payments of principal of and interest due on their Notes; *provided, however*, that the Registered Owner of any Certificate individually shall have and may exercise any and all rights and remedies directly against any such defaulting Participant to the full extent as if such Registered Owner were the owner of record of the Note of each such Participant in Principal Amount equal to such Registered Owner's direct, proportional and undivided interest in such Notes as provided in this Agreement.

SECTION 5.6 Registered Owner's Interests. The Treasurer (or any substitute Fiscal Agent), as agent for each Participant with respect to the execution and delivery of the Notes and in connection with execution and delivery of the Certificates by the Certificate Agent, regarding moneys paid by such Participant to the County as and for Debt Service Payments pursuant to the terms of the Note of such Participant, hereby acknowledges and agrees, in furtherance of the terms, intent and purposes of each such District Note Resolution, to recognize each Registered Owner as the beneficial owner of the Note of each such Participant, in each case to the extent of such Registered Owner's direct, proportional and undivided interest in such Note (as noted on the face of the Certificates), and such Registered Owner individually shall have and may exercise any and all rights and remedies directly against each such Participant to the full extent as if such Registered Owner were the owner of record of Notes of each such Participant in principal amount equal to such Registered Owner's direct, proportional and undivided interest in such Notes.

ARTICLE VI

THE CERTIFICATE AGENT AND THE COUNTY

SECTION 6.1 Duties of the Certificate Agent. The Certificate Agent covenants that it will faithfully observe and perform all of the conditions, covenants and requirements of this Agreement which are expressly applicable to the Certificate Agent, *provided, however* that in no event shall the Certificate Agent be required to expend any of its own funds or incur any personal liability. The Certificate Agent further covenants that it shall not pledge, assign, subject to any lien or otherwise encumber the Notes, or any interest therein other than as contemplated by the terms of this Agreement. In addition, the Certificate Agent covenants that it will hold the Notes for the sole benefit of the Registered Owners until the Maturity Date. The Certificate Agent shall only be required to perform the duties expressly set

forth herein. No implied duties or obligations shall be read into this Agreement against the Certificate Agent.

SECTION 6.2 Reliance on Documents, Etc.

(A) The Certificate Agent may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Certificate Agent by the County and the Participants.

(B) Neither the Certificate Agent nor the County shall be liable in connection with the performance of their duties hereunder except for their own negligence or willful misconduct. The County may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents or attorneys, and the County shall not be responsible for any misconduct or negligence on the part of any agent (other than an employee) or attorney appointed with due care.

(C) No provision of this Agreement shall require the County to expend or risk their own funds or otherwise incur any financial liability for performance of any of their duties hereunder, or in the exercise of any of their rights or powers.

(D) The Certificate Agent and the County may rely, or be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document (including facsimile copies) believed by them to be genuine and to have been signed or presented by the proper party or parties. The Certificate Agent and the County need not examine the ownership of any Certificates, but are protected in acting upon receipt of Certificates containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Registered Owner or agent of the Registered Owner.

(E) The Certificate Agent and the County may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full authorization and protection with respect to any action taken, suffered or omitted by them hereunder in good faith and reliance thereon. The County agrees to cause the Participants to pay the fees and expenses of such counsel in connection herewith.

(F) Neither the Certificate Agent nor the County shall be charged with notice or knowledge of any default hereunder unless and until a responsible officer of the Certificate Agent or the County charged with the administration of this Agreement shall have actual knowledge thereof.

Anything in this Agreement to the contrary notwithstanding, in no event shall the Certificate Agent be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Certificate Agent has been advised of the likelihood of such loss or damage and regardless of the form of action. The Certificate Agent shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Certificate

Agent and could not have been avoided by exercising due care. Force majeure shall include acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

The Certificate Agent agrees to accept and act upon instructions or directions pursuant to this Agreement sent by unsecured electronic mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Certificate Agent shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the County elects to give the Certificate Agent electronic mail or facsimile instructions (or instructions by a similar electronic method) and the Certificate Agent in its discretion elects to act upon such instructions, the Certificate Agent's understanding of such instructions shall be deemed controlling. The Certificate Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Certificate Agent's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The County agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Certificate Agent, including without limitation the risk of the Certificate Agent acting on unauthorized instructions, and the risk of interception and misuse by third parties.

SECTION 6.3 No Liability of the Certificate Agent or the County to the Registered Owners. Neither the Certificate Agent nor the County shall have any obligation or liability to the Registered Owners with respect to the payment when due of the principal and interest with respect to the Certificates, except from the Debt Service Payments received with respect to the Notes, or with respect to the observance or performance by the Participants of the other agreements, conditions, covenants and terms required to be observed or performed by them contained in the related District Note Resolutions, as applicable, or with respect to the performance by the Treasurer, of any right or obligation required to be observed or performed by her/him contained herein or in the District Note Resolutions.

SECTION 6.4 Certificate Agent May Own Certificates. The Certificate Agent, in its individual or any other capacity, may become the Owner or pledgee of Certificates with the same rights it would have if it were not the Certificate Agent and Registrar for the Certificates.

SECTION 6.5 Other Transactions. The Certificate Agent may engage in or be interested in any financial or other transaction with the County, *provided* that if the Certificate Agent determines that any such relationship is in conflict with its duties under this Agreement, it shall eliminate the conflict or resign as Certificate Agent.

ARTICLE VII

REGISTERED OWNER: Cede & Co.

THIS IS TO CERTIFY THAT CEDE & CO., as Registered Owner of this Participation Certificate (the "Certificate"), is the owner of a direct, proportionate and undivided interest in the payments of principal of and interest on 2013-14 Tax and Revenue Anticipation Notes (individually, a "Note" and, collectively, the "Notes"), and the debt service payments (the "Debt Service Payments") to be made thereon, issued by the local agencies, each being a school or community college district, located within the County of Los Angeles (the "County"), organized and existing under the Constitution and laws of the State of California, identified in the Trust Agreement hereinafter referred to (collectively, the "Participants"), each maturing on [Maturity Date], and issued in the principal amounts established in the Trust Agreement herein referred to.

Except as to principal amount, the Notes are all of like date, tenor and effect, made, executed and given pursuant to and by authority of a resolution duly passed and adopted by the governing board of each Participant pertaining to the respective Note of such Participant (collectively, the "District Note Resolutions") and a resolution duly passed and adopted by the Board of Supervisors of the County on [County Resolution Date] (the "County Resolution" and, together with the District Note Resolutions, the "Resolutions")) each under and by authority of Section 53853(a) and of Article 7.6 (commencing with Section 53850) of Chapter 4, Part 1, Division 2, Title 5, California Government Code. The owner of these Certificates is entitled to receive, subject to the terms of the Resolutions, on the Maturity Date stated above, the Principal Amount specified above, representing a direct, undivided interest in the principal payments to be made by each Participant on its respective Note, together with interest thereon accrued at the Interest Rate stated above. Payments of principal and interest with respect to the Certificates properly presented for payment upon maturity shall be made by wire transfer by the County in immediately available funds to the Depository Trust Company, New York, New York, as initial securities depository for the Certificates (or a successor securities depository).

Unless these Certificates are presented by an authorized representative of The Depository Trust Company to the Certificate Agent or the Treasurer and Tax Collector of the County or any Certificate executed and delivered is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful so long as the Registered Owner hereof, Cede & Co., has an interest herein.

Pursuant to the terms of the Trust Agreement by and between the County and The Bank of New York Mellon Trust Company, N.A., as Certificate Agent (the "Certificate Agent"), dated as of [As of Date] (the "Trust Agreement"), the Certificate Agent shall hold in trust each Note represented by these Certificates in the principal amount shown above and maturing on the date these Certificates mature. The Notes will be held by the Certificate Agent and the Debt Service Payments will be held by the County in the Repayment Funds (as defined in the Trust Agreement).

The principal amount represented by these Certificates, together with the interest evidenced and represented hereby, shall be payable from the principal of and interest coming due on the Notes. Each Note constitutes the general obligation of the Participant issuing the same and shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the respective Participant during, or are attributable to, Fiscal Year 2013-14, and which are lawfully available therefor, all as set forth in the respective District Note Resolution. As security for the Notes, each Participant has individually pledged certain of its unrestricted revenues received in the amounts and as of the dates provided in the respective District Note Resolution, plus in the month during which the final payment of Pledged Revenues is to occur, an amount sufficient to pay interest on such Note.

No Participant has covenanted to pay or provide for the payment of any other Participant's Pledged Revenues, and the Repayment Funds established by the County for the several Participants are not pooled. No Participant's Repayment Fund held by the County is available to make up a deficiency in the Repayment Fund of another Participant or payment of principal of and interest on another Participant's Note. One Participant's default in the payment of principal of and interest on its Note will cause a partial default in payment of the Certificates, even though the non-defaulting Participants make timely payments of principal of and interest due on their Notes; *provided, however*, that the Registered Owner hereof individually shall have and may exercise any and all rights and remedies directly against any such defaulting Participant to the full extent as if such Registered Owner were the owner of record of Notes of each such Participant in Principal Amount equal to such Registered Owner's direct, proportional and undivided interest in such Notes as provided above.

The County does not warrant the accuracy of the statements and recitals herein. The County has no obligation or liability to make payments with respect to the Certificates except from Debt Service Payments of the Notes by the Participants and from the funds and accounts established for such purpose by the Trust Agreement.

The Participants have certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State of California and the provisions of the District Note Resolutions to exist, to have happened and to have been performed precedent to and in the execution and delivery of the Notes do exist, have happened and have been performed in due time, form and manner as required by law and that the Notes, together with all other indebtedness and obligations of the respective Participants, do not exceed any limit prescribed by the Constitution or laws of the State of California.

IN WITNESS WHEREOF, The Bank of New York Mellon Trust Company, N.A., as Certificate Agent, has caused these Certificates to be executed by its authorized signatory this ___ day of _____, 2013.
