

El Camino College

Citizens' Bond Oversight Committee Annual Report 2017-18

Executive Summary

The El Camino Community College District (ECCCD) was successful at the November 5, 2002 election in obtaining authorization from the district’s voters to issue \$394 million in general obligation bonds. District voters also gave the ECCCD authorization following the November 5, 2012 election to issue \$350 million in general obligation bonds.

The elections were each conducted under Proposition 39. Pursuant to Section 15278 of the Education Code, the ECCCD established a committee to satisfy the accountability requirements of Prop 39. In March 2013, the El Camino Community College District Board of Trustees confirmed that the Citizens’ Bond Oversight Committee initially established for the 2002 Measure shall have the duties and rights set forth in the committee’s bylaws with oversight responsibility over both 2002 Measure E and 2012 Measure E.

The charter of the El Camino Community College District Citizens’ Bond Oversight Committee is to inform the public concerning bond revenue expenditures and to actively “review and report” on the expenditure of these funds. Our committee comprises a cross section of the citizenry who have volunteered their time to represent various constituencies, and fulfill the responsibilities listed above.

During the 2017-18 fiscal year, the committee met on a regular basis; reviewing expenditures, touring campus renovations, asking questions, and expressing concerns and recommendations. This Annual Report of the El Camino Community College District Citizens’ Bond Oversight Committee documents the results of these activities and serves to fulfill the basic tenets of the charter.

By law, the Citizens’ Bond Oversight Committee membership is comprised of at least seven members who are selected from different groups in the local community. The committee consists of a representative that is active in a business organization located within the district, a member active in a senior citizens organization, a student enrolled at the college, an active member from the taxpayer’s organization and a member in an organization that supports the college (i.e. member of an advisory council or foundation).

Accompanying this report and available on the ECC website are the agendas and minutes of the open public meetings, as well as the independent audit for the fiscal year ending June 30, 2018, performed by the firm of Clifton Larson Allen. The committee examined and reviewed this audit. For the fiscal year ending June 30, 2018, the District complied with the requirements of Article XIII A, Section 1(b)(3) of the California Constitution.

Kirk J. Retz, Chair

*El Camino Community College District
Citizens’ Bond Oversight Committee*

Citizens' Bond Oversight Committee

Name	City of Residence	Occupation	Representing	Length of Term
Lou Bahar	Manhattan Beach	Retired	Senior Representative	Three Years 4/18-4/21

Citizens' Bond Oversight Committee

Lou Bahar is a Manhattan Beach resident, Foundation donor, scholarship supporter and ECC alumna. She started her business career at ECC with Intro to Business, Business Law and Basic Accounting. She loved accounting so much she transferred to CSULB to complete her four-year degree and received a bachelor's degree in accounting. She went on to work in various accounting jobs; finally working for her husband's floor covering distribution company before retiring. She is still a student at ECC and a lifelong learner! Born in Chicago, she happily moved to Los Angeles in her early 20s. Ms. Bahar lived in Redondo Beach for about 10 years and then moved to Manhattan Beach in 1980 and has lived there ever since.

Joan Jones is a Manhattan Beach attorney and community volunteer. She graduated from Stanford Law School and has a bachelor's degree in economics from Goucher College in Baltimore. In the community, she served on the Manhattan Beach City Council, including a term as mayor from 1997-98. Ms. Jones is currently Chairman of the Board of LA BioMed. She has also been a board member for the Manhattan Beach Education Foundation, Goucher College, South Bay Free Clinic, the Mira Costa PTA, and founded the organization Tools to Talent.

David Kartsonis is a longtime South Bay resident who began his higher education at El Camino College at the age of 13. After graduating at 16, he transferred to UC Santa Barbara with a Regents Scholarship and earned a bachelor's degree in creative studies. Mr. Kartsonis is president of the El Camino College Foundation Board of Directors, and has served on the board since 2009. He is the director of technical development for Bakers Man Productions, where he has worked since 2006. Mr. Kartsonis currently lives in Torrance with his wife, son and daughter.

Eugene M. Krank is a podiatrist who currently works for a medical research company. In the community, he is a member of the Hawthorne School District Board of Trustees and the Los Angeles County School Trustees Association, in addition to serving as a delegate for the California School Boards Association. He also served on the committee to select El Camino College's new superintendent/president.

Kirk J. Retz is an attorney with Retz & Aldover, LLP, and practices in the area of construction law, real estate and business law, handling both transactional and litigation matters. He has published numerous articles on topics in this field and frequently speaks on construction issues. In the community, Mr. Retz is a commissioner on the Rolling Hills Estates Parks and Activities Commission serves on the board of managers for the Torrance YMCA, the Gift Planning Council for Loyola Marymount University, and provides pro bono legal services to the nonprofit organization "Keepers of Indigenous Ways."

Steve Scott is manager, space and systems integration for Lockheed Martin, as a member of the Corporate Domestic Business Development staff. He earned a bachelor's degree in computer science from California State University, Long Beach and an engineering management credential from Caltech. Scott serves on the regional board of directors for the Air Force Association, the Armed Forces Communications Electronics Association and the National Defense Industrial Association.

Wiley Wilson is a Watts resident, the Director of Academic Affairs and an Executive Member of the Associated Students Organization, the Commissioner of Diversity and Cabinet Member of the Inter-Club Council, and the I.C.C. Representative and Vice President of the Black Student Union of El Camino College. Wiley currently works for the Foster and Kinship Care Education Program, under the El Camino College Community Education and Development. He has also dedicated more than 500+ hrs. of his time toward volunteering for multiple Boys and Girls Clubs throughout the South Bay Region teaching multiple classes, workshops and mentoring. His goal is to go toward teaching in history and later into Administration.

July 1, 2017 through June 30, 2018

During the 16th year of El Camino College's bond-funded building program, the college completed several substantial projects, and continued to design and build others.

Milestones:

- Construction was completed on the Channel Parking Lot F Structure Improvement Project. The scope of this project is to repair all deficiencies identified in the conditions assessment report and upgrade the structure to meet current code requirements including seismic upgrades.
- Construction was completed on the Lot C Parking Structure Project. This parking structure provides 1,443 parking stalls on the north side of campus. Installation of louvers will address privacy and sound issues for the adjacent neighborhood.
- Construction continues on the new Student Services Building Project. Programs in the new building will include: Admissions & Records, International Students, Veterans, Assessment and Testing, CalWORKs/ CARE/EOPS, Career & Transfer Center, Counseling, Enrollment Services, Financial Aid, First Year Experience, Outreach & School Relations, Special Resources, Foster Care, and the Language Academy. Anticipated Completion: June 2019.
- Construction continues on the Gymnasium Building. This is the first project identified in the 2012 Facilities Master Plan. The new building will house the basketball, volleyball, and other indoor sports programs. Anticipated Completion: April 2019.
- Construction continues on the Pool and Classroom Complex. This building will consist of two pools (a competition pool and an adaptive pool), a weight room, fitness center and classrooms. Instructors, coaches and the division office will be housed in this complex.
- Construction continues on the Administration Building Project. The construction of the new building will be on the same site as the current building. The offices of the President, the Vice President of Academic Affairs, the Vice President of Student Services the Vice President of Administrative Services, the Vice President of Human Resources and the Human Resources staff, Institutional Research, the Foundation and Marketing & Communications, will all be housed here.
- The Social & Behavioral Sciences building is in design phase at fiscal year-end. Programs in the building will consist of classrooms, instructors, and division office will be housed in this complex.
- The Art Complex building is in design phase at fiscal year-end. Programs in the building will consist of classrooms, instructors, anthropology museum, art gallery and division office will be housed in this complex

Challenges:

- A continuing challenge is minimizing the disruption to campus programs and operations stemming from the large amount of construction activities. As construction of future projects begins in the core of the campus, noise, disruption and access will be increasingly difficult.
