Dr. Thomas M. Fallo
Superintendent/President
El Camino College
16007 Crenshaw Boulevard
Torrance, CA 90506

Dear Superintendent/President Fallo:

Thank you for your timely submission of the El Camino College Self Evaluation Report of Educational Quality and Institutional Effectiveness and related materials. We know that the document represents many hours of work by many people in the institution. Our congratulations to each of them for completing this complex project.

The external evaluation team will read these documents in preparation for its site visit and will, through meetings, interviews, and examination of materials, develop a set of substantive recommendations to the College and a team recommendation to the Accrediting Commission regarding the accreditation status of the College. The institutional Self Evaluation Report will inform and guide that activity.

The most important outcomes of the self evaluation process are what the institution learns about itself and the steps it takes to improve teaching and learning. We hope that this effort has produced useful information for the continued development of El Camino College.

Sincerely,

G. Jack Pond
Vice President
