# HOW TO REGISTER

# WHAT IS A REGISTRATION APPOINTMENT?

Your Registration Appointment gives you a date and time for you to start registering for classes.

- You do not need to come to campus
- Register online from any device
- You can register any time after your Registration Appointment until registration closes

The screenshot shows a notification window from a 'Web Advisor [2]'. The window title is 'Registration Appointment' with a red close button. The main content area contains a message: 'Students on a Waitlist for a class must check El Camino College e-mail daily to find out if they have been admitted to the class or dropped from ALL classes.' Below this, a horizontal line separates the message from the appointment details: 'Your Fall 2021 Registration is on 06/04/2021 AT 09:45AM.' At the bottom right of the window is an 'OK' button.

# ECC CONNECT

- Your counseling educational plan can be found in ECC Connect under Degree Planner

The screenshot displays the ECC Connect website interface. At the top, there are three navigation tabs: "Academic Plann...", "Employment", and "ECC Email". Below these is a heading "ECC Connect - Degree Planner" followed by a paragraph: "ECC-Connect is your hub to connect to the people, services and resources to support your success. Check out the degree planner feature to create an educational plan to help you finish what you've started." A red circle highlights the text "ECC Connect" in the paragraph. Below the paragraph is a blue navigation bar with a hamburger menu icon and the text "My Success Network", which is also circled in red. Underneath is a search bar with the placeholder text "Search services and people". The main content area is titled "How can we help?" and is divided into two sections: "Your Connections" and "Your Services".
