SPECIAL EDITION: SPRING 2024

Finals Madness

On December 4, 5, 6, and 11 from 8 p.m. to 12 a.m., the Associated Students Organization held our semesterly Finals Madness! In collaboration with the library, we kept the Study Room, Tutoring Center, and Distance Education rooms open after hours, allowing students to prepare for their upcoming finals. We provided free pizza, snacks, energy drinks, and study/testing materials for the entirety of the event. To combat stress, a dedicated room downstairs was set up with music and board games for students to take a break and relax. ASO is happy to report hosting more than 750 students over the span of the four days, and we hope everyone's Fall finals went well!

Donut Days

On January 16, the Associated Students Organization served free donuts and coffee to over 200 students before and after their Winter Intersession classes. On February 5 we served an additional 140 students. We're incredibly glad for the opportunity to connect with our winter students
