# Foundational Statements: Vision, Mission, Values

---

# ACCJC Accreditation Standards

## Standard 1: Institutional Mission and Effectiveness

The institution has a clearly defined mission that reflects its character, values, organizational structure, and unique student population. The mission outlines the institution’s explicit commitment to equitable student achievement and serves as a guiding principle for institutional planning, action, evaluation, improvement, and innovation.

### Standard 1: Institutional Mission and Effectiveness

The institution has a clearly defined mission that reflects its character, values, organizational structure, and unique student population. The mission outlines the institution’s explicit commitment to equitable student achievement and serves as a guiding principle for institutional planning, action, evaluation, improvement, and innovation.

# Vision

---

El Camino College will spark innovation and create equitable opportunities for our students, employees, and community.

# Mission

---

El Camino College is equity-focused and partners with its diverse communities to provide student-centered learning, career development, and lifelong enrichment.

# Values

---

## Integrity

We commit to ethical practices and act with transparency, sincerity, and respect in all situations.

## Equity

We celebrate the unique strengths of all individuals and support the marginalized to cultivate a diverse, inclusive, anti-racist environment.

## Student-Centered Mindset

We proactively respond to the needs of our students and prioritize their success and well-being.

## Employee Wellness

We support the physical, emotional, and mental well-being of our employees by providing resources and services to meet their professional needs.

## Community Engagement

We contribute to the social, economic, and cultural development of our neighboring communities.

## Social Responsibility

We support our students to become the next generation of responsible leaders who recognize our collective duty to contribute to the well-being of our communities and the world at large.

## Collaboration

We work together with respect and open-mindedness to achieve common goals.

## Sustainability

We steward the college's human, financial, and non-financial resources responsibly, and pursue innovation and continuous improvement to impact future generations.

Thank You
