

EL CAMINO COLLEGE

ASSISTANT DIRECTOR OF FACILITIES PLANNING AND SERVICES

Classification: Classified Administrator

Retirement Type: PERS*

Salary Range: 8

Revised/Board Approval: February 19, 2025

KEY ROLES/RESPONSIBILITIES

Under the direction of an assigned administrator, exercise direct leadership of the areas assigned providing functional supervision over assigned positions. Implement the department's or unit's vision and develop, organize, and implement goals and objectives; plan, develop, organize schedule, direct, improve and evaluate assigned programs, services, and activities; and provide oversight, development, and coordination of all elements of the areas assigned, including facilities construction, maintenance, and general operations.

Foster a culture of collaboration, mutual respect, innovation, and continuous improvement throughout the assigned unit, department, and Administrative Services Area; lead by example; actively participate in and support College-wide shared governance components and activities and other collaborative processes; encourage professional excellence among assigned staff; and promote, foster, and facilitate an organizational culture of customer service, teamwork, and innovation.

SUPERVISION RECEIVED and EXERCISED

- Receive general direction from an assigned administrator.
- Supervise, motivate, and evaluate the performance of assigned staff, interview and select employees; recommend promotions, transfers, reassignment, termination, and disciplinary actions to the assigned reporting level.
- Review and recommend staffing patterns, approve goals and performance objectives for personnel.
- Provide consistent direction in administering the collective bargaining agreements with faculty and classified employees; understand and interpret agreements for faculty and staff as directed.
- Foster a culture of sensitivity to and an understanding of the diverse academic, socioeconomic, cultural, linguistic, ethnic backgrounds and disabilities of community college students, faculty, and staff.

REPRESENTATIVE DUTIES

The following duties and responsibilities are typical for this position. Incumbents may not perform all the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices.

I. LEADERSHIP

1. Lead, direct, and manage the planning, development, organization, scheduling, direction, performance, and evaluation of programs and services of assigned departments or units. Articulate a clear vision of assigned areas, including services, applications, and benefits provided. Lead and manage change within assigned departments or units and across the Administrative Services Area as directed.
2. Actively participate in long-range planning, program review, and resource development activities. Promote transparency within and among assigned units or departments.
3. Participate actively in the life of the College, including operational processes and initiatives, by serving on College committees, workgroups, task forces, and councils as assigned.
4. Strengthen quality educational and support services to promote and empower student learning, success, and self-advocacy. Prepare and implement the department's budget.
5. Enhance innovation and participation in issues related to areas of assignment to ensure ongoing sustainability of the College.
6. Support student learning using a variety of effective instructional methods, educational technologies, and college resources.
7. Be accountable for effective and efficient utilization of resources. Control and authorize expenditures in accordance with established guidelines. Measure and assess outcomes. Identify opportunities for improvement within assigned areas and implement actions to strengthen services to students and the campus community.
8. Support and promote College initiatives including Diversity, Equity, Inclusion, Accessibility and Anti-racism.

II. FUNCTIONAL RESPONSIBILITIES: College Level

1. Provide effective leadership and ongoing guidance over all aspects of the areas assigned, including resource planning, budgeting, tracking, and reporting. Provide technical expertise as directed.
2. Monitor and improve the delivery of services throughout the areas assigned. Promote an effective work environment that supports high performance teamwork, continuous improvement, and ongoing sustainability of College resources.
3. Support the fiscal integrity of the College to promote and empower student learning, success, and self-advocacy.
4. Participate in grievances, disciplinary meetings, legal matters, and other employment related activities within areas assigned. Be alert for and effectively manage trouble spots in assigned service areas.
5. Provide timely operational, technical, and functional information to the Department Head, Vice President, and other College administrators, as directed. Interpret routine policies and regulations and recommend appropriate courses of action in unusual and complex circumstances. Demonstrate effective stewardship through continuous monitoring and reporting of resource needs, deployment, and utilization.
6. Draft, submit, assess, and revise, College documentation that includes, but is not

limited to, Accreditation, Program Plans, Program Reviews, and Service Area Outcomes related to assigned areas of responsibility.

7. Ensure that all programs, services, activities, events, and experiences demonstrate sensitivity to and understanding of the diverse academic, socioeconomic, cultural, linguistic, racial, ethnic backgrounds and disabilities of community college students, faculty, and staff.
8. Demonstrate sensitivity to and understanding of the diverse academic, socio-economic, cultural, disability, and ethnic backgrounds of students.

FUNCTIONAL RESPONSIBILITIES: Job Level

1. Plan, recommend, initiate, and implement programs or strategies to enhance and improve facilities planning, operations, and services. Ensure operations are integrated, compliant, and streamlined to provide excellent customer service and necessary staffing. Ensure that all services provided are prompt, efficient, and lead to a seamless experience for the people served.
2. Provide leadership, supervision, and training to the Facilities Management Team to include time management, programming, facility technical competencies (HVAC, mechanical, plumbing, carpentry, electrical, custodial, landscaping, utility, locksmith, & general contracting), budget administration, project management, employee relations, negotiations, and team building.
3. Coordinate and provide College level supervision and project oversight on capital projects and complex repair, maintenance, renovation, and hazardous substance projects College wide.
4. Plan, direct and control the construction and renovation of the College's physical plant, coordinating and directing the activities of architects, engineers, inspectors, and contractors as assigned. Coordinate work activities between department units, contractors, and campus groups through effective oral and written communications.
5. Determine requirements, prepare specifications, and submit purchase requisitions for materials and services as needed by the assigned units of the Facilities Planning and Services Department.
6. Identify opportunities to implement new ideas to enhance operational efficiencies. Evaluate and recommend new tools and methodologies that will expedite or enhance the service improvement process.
7. Develop and administer maintenance and cleaning programs and related records, including procedures, work instructions, work scheduling and inspection. Inspect work performed and resolve deficiencies as needed.
8. Direct oversight of the development the College's Five-Year Scheduled Maintenance Plan, and Five-Year Construction Plan, Space Inventory, and submission of capital project proposals, major maintenance and repairs projects and all associated documents to the State Chancellor's office.
9. Oversee the collection and organization of Facilities Planning and Services documents for preservation including technical manuals, maintenance schedules, equipment replacement program, vendor files, maintenance work orders and purchase orders.
10. Assist in the determination of priorities and level of quality by considering function, safety, health, criticality, and resources available; determine required resources necessary to

accomplish work by using appropriate estimating and time standards.

11. Evaluate, determine, and estimate the construction or maintenance needs of the physical plant; conduct surveys, make inspections, receive requests, and communicate with others to determine needs.
12. Assist in the development and preparation of the annual maintenance and capital construction fund budgets; analyze and review budgetary and financial data; control and authorize expenditures in accordance with established policy.
13. Ensure that all State Educational codes, building codes, OSHA, AHERA, and ADA compliance codes, and regulation are adhered to. Conduct safety meetings with supervisory staff as needed.
14. Assure a safe environment for students, faculty, and staff by inspecting and working with the safety committee and the safety and health administrator. Assist the Risk Manager in strategic level planning and implementation of special health or safety requirements.
15. Execute independent judgment to effectively resolve problems in a variety of situations, having both major and minor impact on operations and services.
16. Ensure employees understand their job duties and how performance will be measured. Evaluate employee performance and provide feedback. Identify and facilitate training and professional development opportunities for staff to support skill development.
17. Monitor workload statistics in support of achieving service level goals. Review plans for new construction, remodeling, and related facilities requests to ensure service and performance requirements are met.
18. Oversee the inventory and reconciliation of all newly procured materials and ensure accurate product tracking and delivery to appropriate requesting departments. Maintain detailed and up-to-date records of all facility purchases.
19. Work collaboratively to coordinate staffing availability, performance management, and related capacity planning issues and assure timely, accurate, and prompt turnaround of work orders/requests.
20. Monitor changes in laws, regulations, and technology that may affect College or departmental operations; review College policies and procedures to ensure compliance; and implement policy and procedural changes as required. Oversee and participate in reviewing, processing, and training staff on State and Federal rules and regulations related to facilities operations.
21. Serve as an active participant on the Facilities leadership team; collaborate with other supervisors within the unit in the development of appropriate operational plans and priorities.

III. RELATIONSHIPS

1. Develop and enhance partnerships with schools, colleges, universities, businesses, and community-based organizations to respond to the educational, workforce training, and economic development needs of the community.
2. Advance an effective process of collaboration and collegial consultation conducted with integrity and respect to inform and strengthen decision-making.

3. Work closely with other departments within the Administrative Services Area and across the College to foster and facilitate a seamless student experience and increase student success.
4. Work cooperatively and communicate effectively with College administrators and staff, representatives of State and federal agencies, educational institutions, social service organizations, community representatives, and others to coordinate and implement assigned programs and activities and provide information to others.
5. Attend a variety of administrative and staff meetings related to strategic planning, budget, advisory committees, and other assigned activities; participate in consultation, shared governance, and appropriate advisory committee meetings. Chair committees as assigned.
6. Maintain and encourage effective communication with assigned staff by holding regular staff meetings. Provide timely information to staff about issues, programs, and practices affecting the college, areas, divisions, and departments.
7. Network with professional colleagues inside and outside of the College. Attend workshops and professional conferences to stay informed of new developments and technologies; serve on a variety of campus, community, and state committees; meet with representatives of business, industry, and local government as appropriate.
8. Participate as an active member of the Department's management team.

IV. ORGANIZATION MANAGEMENT

1. Maintain up-to-date knowledge of the regulations, policies, requirements, and eligibility criteria for assigned programs and ensure compliance with the College's policies, procedures, and practices.
2. Strengthen processes, programs, and services through the effective and efficient use of assessment, program review, planning, and resource allocation. Implement priorities in conjunction with the College's comprehensive planning and budgeting guidelines. Implement an organizational structure that maximizes utilization of resources and ensures effective and efficient delivery of services.
3. Train, supervise, motivate, and evaluate the performance of assigned managerial, professional, operational, technical, and support personnel; recommend transfers, reassignment, termination, and disciplinary actions as needed; delegate and review assignments; evaluate work products and results, implement appropriate procedures to accommodate need for information and assistance; establish and monitor timelines and prioritize work. Monitor employee performance on a regular basis and provide coaching for performance improvement and/or development as needed. Anticipate, prevent, and resolve conflicts under areas of supervision.
4. Implement plans for efficient and appropriate use and security of assigned facilities; ensure compliance with health and safety regulations.
5. Work with Information Technology personnel on a continual basis to enhance and improve relevant computer systems. Learn and apply emerging technologies to perform duties and provide services in an efficient, organized, and timely manner. Work to modernize

infrastructure and technological resources to facilitate a positive learning and working environment and promote student success.

6. Perform other duties as assigned.
