

INDUSTRY & TECHNOLOGY TECHNICAL SUPERVISOR

Classification: Supervisory Administrator
Salary Range: 21

Retirement Type:
Revised/Board Approval:

PERS*
February 19, 2025

KEY ROLES/RESPONSIBILITIES

Under general direction of an assigned administrator, exercise leadership of the areas assigned providing functional supervision over assigned positions. Implement the department's vision and develop, organize and implement goals and objectives; plan, develop, organize schedule, direct, improve and evaluate assigned programs, services, and activities; and provide oversight, development, and coordination of all elements of the areas assigned, including the daily operations of the Industry and Technology Division instructional laboratories.

Foster a culture of collaboration, mutual respect, innovation, and continuous improvement throughout the assigned unit, department, and division; lead by example; actively participate in and support College-wide shared governance components and activities and other collaborative processes; encourage professional excellence among assigned staff; and promote, foster, and facilitate an organizational culture of customer service, teamwork, and innovation.

SUPERVISION RECEIVED and EXERCISED

- Receive general direction from an assigned administrator.
- Supervise, motivate, and evaluate the performance of assigned staff, interview and select employees; recommend promotions, transfers, reassignment, termination, and disciplinary actions to the assigned reporting level.
- Review and recommend staffing patterns, approve goals and performance objectives for personnel.
- Provide consistent direction in administering the collective bargaining agreements with faculty and classified employees; understand and interpret agreements for faculty and staff as directed.
- Foster a culture of sensitivity to and an understanding of the diverse academic, socioeconomic, cultural, linguistic, ethnic backgrounds and disabilities of community college students, faculty, and staff.

REPRESENTATIVE DUTIES

The following duties and responsibilities are typical for this position. Incumbents may not perform all the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices.

I. LEADERSHIP

1. Lead, direct, and manage the planning, development, organization, scheduling, direction, performance, and evaluation of programs and services of assigned departments or units. Articulate a clear vision of assigned areas, including services, applications, and benefits provided. Lead and manage change within assigned departments or units and across the Division as directed.
2. Actively participate in long-range planning, program review, and resource development activities. Promote transparency within and among assigned units or departments.
3. Participate actively in the life of the College, including operational processes and initiatives, by serving on College committees, workgroups, task forces, and councils as assigned.
4. Strengthen quality educational and support services to promote and empower student learning, success, and self-advocacy. Prepare and implement the department's budget.
5. Enhance innovation and participation in issues related to areas of assignment to ensure ongoing sustainability of the College.
6. Support student learning using a variety of effective instructional methods, educational technologies, and college resources.
7. Be accountable for effective and efficient utilization of resources. Control and authorize expenditures in accordance with established guidelines. Measure and assess outcomes. Identify opportunities for improvement within assigned areas and implement actions to strengthen services to students and the campus community.
8. Support and promote College initiatives including Diversity, Equity, Inclusion, Accessibility, and Anti-racism.
9. Serve as Campus Security Authority (CSA) for Clery Act reporting requirements. Maintain up-to-date certification for CSA status.

II. FUNCTIONAL RESPONSIBILITIES: College Level

1. Provide effective oversight and ongoing guidance over all aspects of the areas assigned, including resource planning, budgeting, tracking, and reporting. Provide technical expertise as directed.
2. Monitor and improve the delivery of services throughout the areas assigned. Promote an effective work environment that supports high performance teamwork, continuous improvement, and ongoing sustainability of College resources.
3. Support the fiscal integrity of the College to promote and empower student learning, success, and self-advocacy.
4. Participate in grievances, disciplinary meetings, legal matters, and other employment related activities within areas assigned. Be alert for and effectively manage trouble spots in assigned service areas.
5. Provide timely operational, technical, and functional information to the Department Head, Vice President, and other College administrators, as directed. Interpret routine policies and regulations and recommend appropriate courses of action in unusual and complex circumstances. Demonstrate effective stewardship through continuous monitoring and reporting of resource needs, deployment, and utilization.

6. Ensure that all programs, services, activities, events, and experiences demonstrate sensitivity to and understanding of the diverse academic, socioeconomic, cultural, linguistic, disability, and ethnic backgrounds of community college students, faculty, and staff.

FUNCTIONAL RESPONSIBILITIES: Job Level

1. Manage daily technical operations of the Industry and Technology Division instructional labs, instructional supplies, and tool rooms.
2. Manage personnel responsible for supplies, tools and equipment in Division Tool Room and laboratories; assure assigned areas, are staffed and ready to serve students and faculty. Duties include recruitment, interviewing, selection, and dismissal of temporary hourly personnel. Assurance of compliance to represented Classified employees including shift assignments, and work assignments. Ensure work assignments are in line with training and ensure a continuous training program is in place to upskill subordinates to support lab maintenance and repair activities, training, and that health & safety protocols are in accordance with applicable college policies and regulatory requirements.
3. Work independently to ensure subordinate assignments are fulfilled and that duties performed by assigned personnel comply with college policy and regulatory requirements including waste management and hazardous materials handling.
4. Consult with the Dean or Associate Dean as necessary to ensure the reliable execution of Division operations and effective support of student learning.
5. Train, supervise and evaluate assigned staff; recommend various personnel actions including selection, discipline, termination, reassignment, promotions and others; participate on interview panels as requested.
6. Prepare and maintain daily logs related to events and instructional supplies in the Division; maintain records of cash receipts, personnel, maintenance and repair activities and other records and reports related to assigned activities.
7. Schedule the maintenance and equipment repair for assigned departments as needed; oversee the repair and maintenance activities of assigned staff; receive work/repair activities and other records and reports related to assigned activities.
8. Prepare work requests for the Division and follow-up on work in progress.
9. Oversee the tool room budget for assigned departments for supplies, open accounts and vendor repair.
10. Oversee the storage of hazardous materials; perform safety inspection in the Division and assure proper compliance.
11. Collect money from various departments and prepare receipts; submit moneys to Fiscal Services; receive and record cash receipts from Fiscal Services.
12. Communicate with instructors, staff and students and coordinate activities, resolve issues or concerns and exchange information.
13. Maintain inventory of division property, equipment, and supplies; order materials as needed; inventory and supply first aid kits for assigned departments; process forms to declare surplus property for assigned departments.
14. Collaborate with Facilities and/or ITS to ensure Division needs are met within the timelines necessary to ensure laboratory readiness for installation, repair, overhaul, removal,

relocation, and any other needs that arise in the modification or update of equipment and software in the Division laboratories.

15. Operate a computer and other office equipment as assigned; operate various tools in the industry and technology trade.
16. Prepare and maintain records related to donations, safety, work requests, personnel and other activities related to assigned activities.

III. RELATIONSHIPS

1. Develop and enhance partnerships with schools, colleges, universities, businesses, and community-based organizations to respond to the educational, workforce training, and economic development needs of the community.
2. Advance an effective process of collaboration and collegial consultation conducted with integrity and respect to inform and strengthen decision-making.
3. Work closely with other departments within the Division and across the College to foster and facilitate a seamless student experience and increase student success.
4. Work cooperatively and communicate effectively with College administrators and staff, representatives of State and federal agencies, educational institutions, social service organizations, community representatives, and others to coordinate and implement assigned programs and activities and provide information to others.
5. Attend a variety of administrative and staff meetings related to strategic planning, budget, advisory committees, and other assigned activities; participate in consultation, shared governance, and appropriate advisory committee meetings. Chair committees as assigned.
6. Maintain and encourage effective communication with assigned staff by holding regular staff meetings. Provide timely information to staff about issues, programs, and practices affecting the department, Division, and the College.
7. Network with professional colleagues inside and outside of the College. Attend workshops and professional conferences to stay informed of new developments and technologies; serve on a variety of campus, community, and state committees; meet with representatives of business, industry, and local government as appropriate.
8. Participate as an active member of the Department's management team.

IV. ORGANIZATION MANAGEMENT

1. Maintain up-to-date knowledge of the regulations, policies, requirements, and eligibility criteria for assigned programs and ensure compliance with the College's policies, procedures, and practices.
2. Strengthen processes, programs, and services through the effective and efficient use of assessment, program review, planning, and resource allocation. Implement priorities in conjunction with the College's comprehensive planning and budgeting guidelines. Implement an organizational structure that maximizes utilization of resources and ensures effective and efficient delivery of services.

3. Train, supervise, motivate, and evaluate the performance of assigned managerial, professional, operational, technical, and support personnel; recommend transfers, reassignment, termination, and disciplinary actions as needed; delegate and review assignments; evaluate work products and results, implement appropriate procedures to accommodate need for information and assistance; establish and monitor timelines and prioritize work. Monitor employee performance on a regular basis and provide coaching for performance improvement and/or development as needed. Anticipate, prevent, and resolve conflicts under areas of supervision.
4. Implement plans for efficient and appropriate use and security of assigned facilities; ensure compliance with health and safety regulations.
5. Work with Information Technology personnel on a continual basis to enhance and improve relevant computer systems. Learn and apply emerging technologies to perform duties and provide services in an efficient, organized, and timely manner. Work to modernize infrastructure and technological resources to facilitate a positive learning and working environment and promote student success.
6. Perform other duties as assigned.
