

El Camino College

Dean of Business, Design & Applied Technology

El Camino College seeks a visionary, innovative, strategic, passionate, and experienced Dean of Business, Design & Applied Technology who will foster campus collaborations that support the next stage of growth and achievement for El Camino College.

ABOUT EL CAMINO COLLEGE

El Camino College (ECC) is located on the ancestral lands of the Gabrielino-Tongva people, the traditional caretakers of Tongvaangar (the Los Angeles basin, Southern Channel Islands) and occupies 126-acres near Torrance, California. We are located in Los Angeles County, just minutes from South Bay beaches. Our community serves a diverse student population including new and re-entering students and those pursuing certificate, degree, and transfer goals.

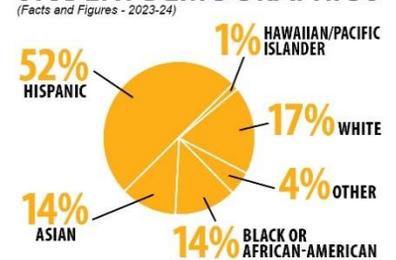

As a comprehensive two-year college, El Camino College serves approximately 25,000 students each semester, the majority of whom are from diverse populations. The ideal candidate will share ECC's commitment to educating its racially and socio-economically diverse student population including students with disabilities. El Camino College provides many opportunities for students to succeed. Through the Honors Transfer Program, El Camino College transfers hundreds of students each year to four-year universities around the country. Top transfer institutions include UCLA, USC, and UC Davis. El Camino College is regularly among the top five community colleges in Southern California for students admitted to CSUs, and the top ten for UCs. Students are also supported by an extensive scholarship program, with approximately \$600,000 awarded annually.

With the passage of general obligation bond measures in 2002 and 2012, the District has undergone a substantial transformation campus-wide. Over the next 10 years, capital construction projects, as well as new initiatives to support student success, will strengthen El Camino College as a premier institution for teaching and learning.

MISSION STATEMENT

El Camino College is equity-focused and partners with its diverse communities to provide student-centered learning, career development, and lifelong enrichment.
