

EL CAMINO COLLEGE

DIRECTOR OF THE MESA PROGRAM & STEM CENTER

Classification: Educational Administrator
Salary Range: 11

Retirement Type: STRS*
Revised/Board Approved: June 26, 2025

KEY ROLES/RESPONSIBILITIES

Under direction of the Deans for Mathematical Sciences and for Natural Sciences, exercise direct leadership of the areas assigned providing functional supervision over assigned positions. Implement the department's vision and develop, organize, and implement goals and objectives; plan, develop, organize schedule, direct, improve and evaluate assigned programs, services, and activities; and provide oversight, development, and coordination of all elements of the areas assigned, including providing services for mathematics, engineering, and science students, students in the MESA Program, and the Science, Technology, Engineering and Mathematics (STEM) Center.

Foster a culture of collaboration, mutual respect, innovation, and continuous improvement throughout the assigned unit, department, and division; lead by example; actively participate in and support College-wide shared governance components and activities and other collaborative processes; encourage professional excellence among assigned staff; and promote, foster, and facilitate an organizational culture of customer service, teamwork, and innovation.

SUPERVISION RECEIVED and EXERCISED

- Receive general direction from Deans of Mathematical Sciences and Natural Sciences.
- Supervise, motivate, and evaluate the performance of assigned staff, interview and select employees; recommend promotions, transfers, reassignment, termination, and disciplinary actions to the assigned reporting level.
- Review and recommend staffing patterns, approve goals and performance objectives for personnel.
- Provide consistent direction in administering the collective bargaining agreements with faculty and classified employees; understand and interpret agreements for faculty and staff as directed.
- Foster a culture of sensitivity to and an understanding of the diverse academic, socioeconomic, cultural, linguistic, ethnic backgrounds and disabilities of community college students, faculty, and staff.

REPRESENTATIVE DUTIES

The following duties and responsibilities are typical for this position. Incumbents may not perform all the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices.

I. LEADERSHIP

1. Lead, direct, and manage the planning, development, organization, scheduling, direction, performance, and evaluation of programs and services of assigned departments or units. Articulate a clear vision of assigned areas, including services, applications, and benefits provided. Lead and manage change within assigned departments or units and across the Divisions as directed.
2. Actively participate in long-range planning, program review, and resource development activities. Promote transparency within and among assigned units or departments.
3. Participate actively in the life of the College, including operational processes and initiatives, by serving on College committees, workgroups, task forces, and councils as assigned.
4. Strengthen quality educational and support services to promote and empower student learning, success, and self-advocacy. Prepare and implement the department's budget.
5. Enhance innovation and participation in issues related to areas of assignment to ensure ongoing sustainability of the College.
6. Support student learning using a variety of effective instructional methods, educational technologies, and college resources.
7. Be accountable for effective and efficient utilization of resources. Control and authorize expenditures in accordance with established guidelines. Measure and assess outcomes. Identify opportunities for improvement within assigned areas and implement actions to strengthen services to students and the campus community.
8. Support and promote College initiatives including Diversity, Equity, Inclusion, Accessibility, and Anti-racism.
9. Serve as Campus Security Authority (CSA) for Clery Act reporting requirements. Maintain up-to-date certification for CSA status.

II. FUNCTIONAL RESPONSIBILITIES: College Level

1. Provide effective leadership and ongoing guidance over all aspects of the areas assigned, including resource planning, budgeting, tracking, and reporting. Provide technical expertise as directed.
2. Monitor and improve the delivery of services throughout the areas assigned. Promote an effective work environment that supports high performance teamwork, continuous improvement, and ongoing sustainability of College resources.
3. Support the fiscal integrity of the College to promote and empower student learning, success, and self-advocacy.
4. Participate in grievances, disciplinary meetings, legal matters, and other employment related activities within areas assigned. Be alert for and effectively manage trouble spots in assigned service areas.
5. Provide timely operational, technical, and functional information to the Department Head, Vice President, and other College administrators, as directed. Interpret routine policies and regulations and recommend appropriate courses of action in unusual and complex circumstances. Demonstrate effective stewardship through continuous monitoring and reporting of resource needs, deployment, and utilization.

6. Ensure that all programs, services, activities, events, and experiences demonstrate sensitivity to and understanding of the diverse academic, socioeconomic, cultural, linguistic, racial, ethnic backgrounds and disabilities of community college students, faculty, and staff.
7. Demonstrate sensitivity to and understanding of the diverse academic, socio-economic, cultural, disability, and ethnic backgrounds of students.

FUNCTIONAL RESPONSIBILITIES: *Job Level*

1. Plan, organize, develop, and implement the MESA program components and objectives and STEM related projects, including overseeing departmental operations, delivery of services, and implementation of new program processes as part of program improvement process. Participate in the hiring, training, supervision, and evaluation of program staff to ensure program compliance and quality of services to students.
2. Monitor and evaluate activities and program staff, as well as recruit, train and supervise workshop facilitators; coordinate academic excellence workshops with faculty and serve as a liaison for the College with other state, universities and business and industry.
3. Provide vision for MESA and STEM at the College that supports the workforce development needs of local industries.
4. Evaluate student needs, external requirements and regulations, and current trends to develop program modifications and improvements. Collaborate with faculty, staff, and administrators to improve delivery of services and resources and to promote understanding of program services and the population it serves.
5. Meet regularly with the responsible administrator, faculty, and statewide community college director to plan implementation of the MESA program at the College and report on progress of the program.
6. Prepare and manage budgets; monitor and approve expenditures; prepare grant and program fund applications and ensure compliance with requirements; may prepare and manage contracts for services within the program area.
7. Direct and participate in the provision of services at all college sites to STEM students including academic and educational workshops, speakers, academic advising, scholarships and fellowships, campus visits, planned activities, and retention strategies.
8. Conduct outreach and recruitment efforts with the Outreach Office, other campus divisions/department and special programs such as PUENTE, UMOJA, and FYE, etc. Recommend and participate in the development of policies for the College to implement, evaluate, and/or augment non-traditional programs and services that increase STEM outreach.
9. Review all applications for admissions to the MESA Program and conduct orientations for program candidates.
10. Maintain database and longitudinal/electronic files of students to track progress and prepare reports.

11. Work with faculty, staff, and other College areas/programs to identify needs and provide opportunities to coordinate services to students and improve program utilization. Develop student networks that support underrepresented students.
12. Create and maintain a campus and industry advisory board.
13. Participate in the MESA and STEM Regional Alliance and College committees to help establish student research, internships, and employment opportunities.
14. Lead the STEM metamajor and facilitate the STEM metamajor success team that advance the College's vision for STEM workforce development.

III. RELATIONSHIPS

1. Develop and enhance partnerships with schools, colleges, universities, businesses, and community-based organizations to respond to the educational, workforce training, and economic development needs of the community.
2. Advance an effective process of collaboration and collegial consultation conducted with integrity and respect to inform and strengthen decision-making.
3. Work closely with other departments within the Division and across the College to foster and facilitate a seamless student experience and increase student success.
4. Work cooperatively and communicate effectively with College administrators and staff, representatives of State and federal agencies, educational institutions, social service organizations, community representatives, and others to coordinate and implement assigned programs and activities and provide information to others.
5. Attend a variety of administrative and staff meetings related to strategic planning, budget, advisory committees, and other assigned activities; participate in consultation, shared governance, and appropriate advisory committee meetings. Chair committees as assigned.
6. Maintain and encourage effective communication with assigned staff by holding regular staff meetings. Provide timely information to staff about issues, programs, and practices affecting the college, division, and departments.
7. Network with professional colleagues inside and outside of the College. Attend workshops and professional conferences to stay informed of new developments and technologies; serve on a variety of campus, community, and state committees; meet with representatives of business, industry, and local government as appropriate.
8. Participate as an active member of the Division's management team.

IV. ORGANIZATION MANAGEMENT

1. Maintain up-to-date knowledge of the regulations, policies, requirements, and eligibility criteria for assigned programs and ensure compliance with the College's policies, procedures, and practices.
2. Strengthen processes, programs, and services through the effective and efficient use of assessment, program review, planning, and resource allocation. Implement priorities in conjunction with the College's comprehensive planning and budgeting guidelines.

Implement an organizational structure that maximizes utilization of resources and ensures effective and efficient delivery of services.

3. Hire, train, supervise, motivate, and evaluate the performance of assigned managerial, professional, operational, technical, and support personnel; recommend transfers, reassignment, termination, and disciplinary actions as needed; delegate and review assignments; evaluate work products and results, implement appropriate procedures to accommodate need for information and assistance; establish and monitor timelines and prioritize work. Monitor employee performance on a regular basis and provide coaching for performance improvement and/or development as needed. Anticipate, prevent, and resolve conflicts under areas of supervision.
4. Implement plans for efficient and appropriate use and security of assigned facilities; ensure compliance with health and safety regulations.
5. Work with Information Technology personnel on a continual basis to enhance and improve relevant computer systems. Learn and apply emerging technologies to perform duties and provide services in an efficient, organized, and timely manner. Work to modernize infrastructure and technological resources to facilitate a positive learning and working environment and promote student success.
6. Perform other duties as assigned.

MINIMUM QUALIFICATIONS

Education: Master's degree.

Experience: One (1) year of formal training, internship, or leadership experience reasonably related to the administrator's administrative assignment.

DESIRED QUALIFICATIONS

Desirable Education: Master's degree from an accredited college or university in mathematics or a science field.

Desirable Experience: Demonstrated successful experience delivering academic services to students aimed at improving student success for students majoring in a mathematics-based field of study; and five (5) years of post-secondary teaching experience and/or work experience in education, industry, or other profession involving work with postsecondary students in mathematics-based fields.

Knowledge/Areas of Expertise: College Level

- California Education Code, Title 5, Chancellor's Office administrative procedures, Federal laws and regulations and other legal parameters that affect the policies and practices of the College, as they apply to areas assigned.
- Understanding of higher education principles and practices in community colleges, including the mission of the California Community Colleges.
- Community college organization, operations, policies, and objectives, including specific policies and procedures of El Camino College covering the departments or units supervised.
- Specific needs and interests of community college students.
