The Child Development Center Department of the Long Beach Community College District is seeking qualified individuals for a current opportunity as a Child Development Center (CDC) Teacher! The LBCC Child Development Centers and Lab Schools are committed to providing high-quality early childhood education and care to children in our community. Our Centers serve as model programs for best practices in child development and offer a supportive and collaborative work environment for dedicated professionals. As a CDC Teacher at LBCC, you will play a vital role in nurturing the growth and development of young children, working with a team of educators and professionals to create safe, nurturing, and stimulating learning environments that promote the social, emotional, physical, and cognitive development of each child. This position offers a unique opportunity to make a positive impact on the lives of children and their families, while mentoring future educators, and furthering your career in ECE. We are currently seeking passionate and qualified CDC Teachers to join our team.

If this describes you, we encourage you to apply for this opportunity to join the innovative and talented LBCC team!
