

Police Advisory Committee Meeting  
November 13, 2013

Present: Patty Gebert, Mike Trevis, Angie Snider,

The minutes of the April 17, 2013 meeting were approved as written.

New Business

The Cleary Crime reporting requirements for 2012 was just submitted. Crime in all categories is down. However, during the past few years, we're averaging about 12 – 13 stolen cars. In 2012, only 3 cars were stolen. We are receiving more calls reporting unusual or suspicious activity.

In January, more active shooter training will be held at EC Compton Center. We held traffic enforcement at ECC at Manhattan Beach Boulevard. Traffic enforcement will be done at Compton Center.

There has been an increase in calls with students with behavioral issues. The AIMS (Assessment, Intervention, and Management of Safety) Team discusses these issues. AIMS also has a website.

The police department launched a video on the Campus Police website on "How to Protect Your Property." Running time is 4 – 5 minutes.

Last month, the El Camino College newspaper had an article on crimes on the El Camino campus. The writer went to the California state post-secondary school website for the data. However, the newspaper used information which covered the years 2001 to 2009. Mike responded to the newspaper that the paper needed to make a closer comparison with colleges comparable with El Camino i.e. Long Beach CC, Southwest CC.

There is one police officer vacancy. Officer Gino Alvarino left for another department. Currently we have a vacant sergeant position. We went through the process for the sergeant's position; however, one part needs to be done over.

This fiscal year 2013 – 2014, the police department was granted permission to purchase 2 new police cars and electric carts. The police officers' union is in negotiations.

Cameras and blue poles are getting repaired.

There is a lot of construction going on at the EC Compton Educational Center. Their LRC is scheduled to open in February 2014.

There was a concern about bikes that are locked to handrails. It creates a safety issue for disabled person.
