### YOU NEED TO KNOW THESE THINGS ABOUT WORKSHOPS

- \* You will lose your priority registration if you do not attend at least one workshop **every semester**
- \* Write down each workshop you attend on the HTP Completion Form in your HTP Student Handbook. You will receive credit only for workshops that you have recorded accurately.
- \* You do not need to sign up for workshops in advance.
- \* Arrive at the workshop on time, according to the clock in the workshop room. If you are late, the door will be locked and **you will not be admitted.**
- \* Stay for the full time (50 minutes). You cannot leave the room and then return.
- \* Sign the attendance sheet **AFTER** the workshop is over. **Print legibly.** If your name or ID cannot be read you will not receive credit.
- \* No food or beverages are allowed in workshop rooms.
- \* Turn off all electronic devices
- \* Listen to the speaker. No talking, texting, reading, studying or disturbing others.
- \* If we add another workshop, we will email you.
- \* Transfer Center workshops are **NOT** HTP workshops.
- \* You may attend more than one workshop in a single semester. Every semester you must attend at least one, until you have completed four.
- \* You should receive an email message from the HTP about once a week during the fall and spring semesters. Emails are sent to your ECC email address only, and copies are printed and placed in a binder on the HTP counter.
