Activities and Awards Worksheet

(Part of the UC Undergraduate Admissions Application)

In addition to your courses and grades, we want to know about any honors you've received and how you spend your time outside of school. Use this worksheet to prepare concise descriptions of your most significant awards and activities. You may list up to five entries in each category, so think carefully about what you want to highlight. Also make sure to fully describe each item (up to 160 characters) for admissions offices to best understand your involvement.
