

ITEC CENTER

The Industry & Technology center is a support center for all Industry & Technology majors. Located in ITEC Building, Room 109

We are here to assist you!

- Do you need to create or update your educational plan?
- Are you interested in a certificate or associate degree?
- Interested in transferring to a 4-year university?
- Are you looking for an internship or job in your field?
- Do you need to know about other student support services?

Request a counseling appointment
(video, phone, in-person) with one of the
ITEC Counselors!
