

STAY INFORMED WITH **RAVE** EMERGENCY ALERT SYSTEM

RAVE

M O B I L E S A F E T Y

El Camino College (ECC)'s new emergency alert and warning system is **Rave**. This new system communicates safety emergencies to the campus and surrounding communities and is replacing the previous Nixle text alert system.

WHAT ARE THE NEXT STEPS?

As a default, your El Camino College email address (@elcamino.edu), has been automatically enrolled into the RAVE alert system to receive emergency notifications. You will receive a "Welcome" email with detailed instructions on how to create a user profile and how to add cell phone numbers and preferred email addresses where you want to receive future ECC emergency alert messages.

HOW DO I RECEIVE ECC EMERGENCY TEXT ALERTS?

You can text "**ECCPD**" to **226787** (CAMPUS) to begin receiving alerts from the El Camino College Community Alerting System.

QUESTIONS?

If you have any further questions or concerns, contact:

ECC Office of Risk Management: riskmanagement@elcamino.edu

or ECC Police Department: police@elcamino.edu
