## IS THERE HELP FOR STUDENTS WHO ARE HAVING TROUBLE WITH THEIR CLASSES?

Absolutely! We encourage students to visit their professor's office hours where they can discuss anything related to the class and receive one-on-one help. ## WHICH FINANCIAL AID APPLICATION DOES MY STUDENT COMPLETE?

It is important that the student only submits **one** financial aid application, either FAFSA **or** CA DREAM ACT. See graphic (to the right) to see which application applies to the student.

## WHAT IF I (THE PARENT) DON'T HAVE A SOCIAL SECURITY NUMBER?

If the parents do not have a Social Security Number (SSN), it is important to note that students can STILL apply for financial aid. If the applicant on a FAFSA indicates that the parent has no SSN, different verification questions will be provided. For the CA DREAM ACT parents/legal guardians can put all zeros for their SSN (e.g. 000-00-0000). However, if a parent DOES have an SSN, then do not put all zeros. Feel free to have your student stop by our FYE office for assistance.
