#### PLEASE NOTE:

Students **MUST** log on to Canvas/attend on the first day of class and follow any catalogue instructions to avoid being dropped.

"**ONLINE**" classes have no scheduled campus or online sessions. Time/Day is therefore not applicable (N/A).

"**CAMPUS**" refers to courses that are **synchronous** and meet **face-to-face on campus**.

"**HYBRID**" classes have a mixture of weekly regular on campus sessions and online course work.

\*Courses without an "H" will have "T" designation on transcript and do count for HTP, TAP and IGETC credit.

\*\*STEM sections designated for science majors in HTP.

**IMPORTANT PROGRAM INFORMATION ON OTHER SIDE**

## **HTP POLICIES**

All H courses before 2019 will still be considered fully transferable HTP courses with respect to TAP Certification and HTP Completion forms. However, students should check with a counselor to make sure they are still IGETC certified.

Honors courses without an "H" will have a "T" designation on the transcript and do count for HTP, TAP and IGETC credit.

HTP students must complete **at least one** honors course each semester, for a total of five honors courses to complete the program. Students should meet with a counselor to ensure that they take the appropriate courses for their major and transfer institution.

HTP students **must** take an honors course in the Fall and Spring semesters, however Summer and Winter sessions are **optional**. Students who take an **extra** honors course in the Fall or Spring semester (2 or more), or take an honors course during Winter or Summer sessions may "rollover" that course to full the requirement for the subsequent semester. Refer to the HTP website on "How to Rollover an Honors Course." **Course Rollover Forms must be submitted during Weeks 1-3 of the semester. Forms submitted after Week 3 will not be considered.**

## **ENGLISH 1A**

**New** HTP students are **required** to take English 1A during their first semester in the program, **unless** English 1A has already been completed or has been waived by an AP exam. Taking an honors section of English 1A is recommended.

The HTP currently offers three English courses, three history courses, and four communication studies courses. However, **no more than two courses in the same IGETC area may count toward the five honors courses required to complete the program.**

## **CONTRACTS**

HTP is NOT a contract program. Students cannot work with a professor to honorize a course with supplemental assignments. However, certain students who also participate in First Year Experience (FYE) and/or PUENTE programs may establish contracts between faculty for dual credit in certain **English** classes since these students must take a designated Honors course each semester. **Unless** HTP students are currently participating in FYE and/or PUENTE, **contracts are not an option. A maximum of two contracted courses may count toward the five honors courses requirement.**
