by Thursday, April 4th to avoid being suspended from the program.**

### HTP Workshop Policies:

Students must register for workshops in advance using the registration link provided in order to receive credit.

Students must be on time for the workshop. If a student joins after the workshop has started, the student will be removed and will not receive credit for attending.

Students must stay for the full duration (50 minutes) of the workshop and will not receive credit for logging off/returning.

Students who sit idle on Zoom after the workshop has concluded will not receive credit for attending.

Workshops offered through the Transfer/Career Centers, FYE, and EOPS are **NOT** HTP workshops and **will not** fulfill the HTP workshop requirements.

Students may attend more than one workshop in a semester (only one is required to remain active in the HTP each semester).

Workshop times/dates/location may change after the schedule is announced. Please check the HTP website, Canvas, and any ECC emails for changes.

Students are responsible for keeping track of their workshop attendance. HTP requires students to provide this information on the Completion Form.

Students will lose their priority registration and be suspended from the HTP for failure to attend one workshop per semester (for a total of four).
