---

## About Me:

Hi, my name's Nahalia. As a STEM & The Arts Woman, I enjoy music, surfing & astronomy camping trips. I'm a non-traditional, BIPOC first-gen and I mentor by approaching problems with creative solutions thru innovation & cleverness. #Growth Mindset!

## Fun Fact:

Everyday I sing, and in my spare time I play a few instruments, too!

## How I Can Help:

- Become familiar with the student support programs, campus environment, and academic expectations of the ECC college environment
- Organize class materials and prepare for assignments and exams
- Build self-confidence to make mindful decisions, solve problems and succeed academically
