

Meet your PASS Mentor

Fun Fact:

In my free time, I like to cook, play Animal Crossing, and watch TV shows/movies.

How I Can Help:

- Become familiar with the student support programs, campus environment, and academic expectations of the ECC college environment
- Organize class materials and prepare for assignments and exams
- Build self-confidence to make mindful decisions, solve problems and succeed academically

About Me:

I graduated from ECC last June and am currently a fourth year Psychology major at CSU Long Beach. This is my first time as a PASS Mentor and can't wait to help out students!
