Counseling Updates for Department Meetings: Fall 2023

Transfer Center Events:

<https://www.elcamino.edu/academics/transfer-center/events-and-workshops/index.aspx>.

It's time for students to fill out their university applications for Fall 2024. To this end, the Transfer Center will host CSU/UC application workshops beginning on October 1st. Both in person and virtual options will be available through the end of November. Students will sign up on the Transfer Center website using the link above. Note: These applications are more complicated than they used to be, so please encourage your students to attend!

Career Center Events:

<https://www.elcamino.edu/support/careers/index.aspx>

More meta major resources have been added to this website and students can now access job opportunities here as well.

Scheduling Counseling Appointments:

All general counselors were on Express/Drop In for the first two weeks. Regular appointments resume on the week of September 11th. Students are able to book appointments via this link:

<https://www.elcamino.edu/support/counseling/appointments.aspx>.

If students have trouble scheduling, please feel free to have them contact me directly.

My office has moved to BSSB 120.

Meta Major Outreach

Current events include: Contacting BSS majors with 40+ units to inform them of our Transfer Center events and to connect them to the Transfer Center; hosting a career panel for social work and Cdev majors (with other majors to follow in separate terms); possibly creating a BSS social media page to give students a central place to access information regarding upcoming events, resources, etc.; and outreaching to our 182 African American BSS students who do not belong to a cohort and who do not have an education plan. Per the flyer slotted in your boxes at the outset of the term, we will also continue to host Chat With a Counselor events and meta major drop in events.

Thank you for helping us to keep our students informed of the resources we provide!

Artificial Intelligence and Fraudulent Students

Meeting Notes: The department discussed the rising rates of fraud and related use of artificial intelligence this Summer and Fall.

- Create an assignment that can't be answered by AI or a BOT that is required to stay enrolled and helps weed out fraudulent students. The Distance Education Office recommends requiring a student to post a short introductory video or audio post or using an interaction on Pronto.
- Drop students as No Shows who do not complete the assignment, or do not complete it in the required format.
- You can always reinstate a student who is mistakenly dropped.
- Send a list of the fraudulent students you dropped with their name, email and student id, to the financial aid office (eccfaid@elcamino.edu).
- **After No Shows, require a student suspected of fraud to meet with you on Zoom to stay enrolled. Drop them if they don't respond or show to the meeting.**
- **If you find a fraudulent student after No Shows have been filed, submit a Maxient form and select "suspected fraud" as the reason for the report. It will go to Student Development, Financial Aid and Admissions & Records. You can submit multiple students on one Maxient report. This will trigger the student discipline process which can lead to the withdrawal of the student(s) from your course.**

Psychology FT Tenure-Track Position Request

- BSS Position Requests (Ranking by Division Council)
 1. Psychology
 2. Human Development
 3. Anthropology
 4. History
- 28 Campus-wide Requests
- College Faculty Position Committee meets Thursday, Oct. 5 and makes recommendation to President.
- President will review the list and make final decisions about hiring by Thanksgiving.
- We haven't been told the Faculty Obligation Number and don't know how many positions will be hired.

PSYCHOLOGY AAT DEGREES

Meeting Notes: The number of AATs awarded has declined significantly between 2021/22 and 2022/23. This is possibly due to the decline in the number students over the past several years.

Meeting Notes: Resembling BSS patterns, success rates were high during Spring 2020 with the outbreak of the pandemic. Since then, success rates have stayed relatively steady with a slight decline in Spring 2023.

Success by Modality – Psychology - Spring 2023

Meeting Notes: The Psychology faculty have done a terrific job of bringing the success rate in on-campus and online classes into alignment – they are nearly the same.

Reports and Announcements

Meeting Notes: The Psychology club is currently being revived. If the department is able to hire, they may include club experience or interest as a desired qualification. The program briefly sponsored a Psi Beta chapter but it was a lot work for faculty and the students did not engage. They seemed more motivated by resume building than participating. The faculty at the meeting prefer not to support it moving forward.
