

**Division of Natural Science
Physics/Astronomy Dept Meeting**

March 15, 2022

1:15-2:05pm

Zoom Meeting

MINUTES

Present: E. Goldmann, J. Rodriguez, Z. Murdock, S. Kadakia, J. Coroneus, S. Stolovy, D. Wright, A. Grant

- A. SLOs: Z. Murdock mentioned that all classes should be assessed for SLO #1 via Canvas. J. Rodriguez has experience using Canvas for SLO assessment and will help. The older quiz module in Canvas should be used.
- B. Planning: D. Wright will get a quote for power supplies. A. Grant will request that chairs in Phys-112 be swapped for the chairs in Phys-114. S. Kadakia will report on the type of computer equipment needed for the planetarium.
- C. Public Planetarium shows: A. Grant will use division funds to pay for April and May planetarium shows, including student helpers.
- D. D. Wright will put in a work order for the non-functioning outlet in the planetarium
