MINUTES

I. INFORMATION/ANNOUNCEMENTS

A. Approval of Minutes from February 15, 2018

Minutes from 2/15/18 were approved by the committee.

II. DISCUSSION/ACTIONS

A. Facilities

The final proposal is due to the state late spring for the Music and Theatre building. This proposal is the only project on campus that is eligible to receive matched funding from the state.

The committee has been selected for the Arts Complex which will house Film, Photo, Art and Dance. An invitation to vote for a faculty representative was sent by email to the departments that will be in the Arts Complex and Karen Whitney, Professor, Art was selected.

The committee reviewed architect proposals, met on 3/28/18 to score and selected 4 candidates for interview.

Jack Bay, Executive Director of Facilities will be fast tracking the installation of the AC units. All conduits have been installed and electrical updated. Once installation of AC is complete, we can move forward with the updating the rooms to have smart room capabilities.

42,000 s.f. of space has been allocated to Fine Arts for our lecture classes. Lecture classes to be held would be Coms, Art History, Art Appreciation and Photo lecture classes.

B. Fine Arts Fair & Panels

For future Fine Arts fairs, the faculty would like more advance notice and more consultation. Panels for Theatre were poorly attended due to lack of notice.

Music Panel was well attended.

Some departments find that they have better results when bringing in speakers from different schools during their class meeting time.

A revised attached outline of the Fine Arts Showcase is attached. Venue has been changed to the Campus Theatre on September 28, 2018.

D. Warrior Smart Start

Dr. Price would like to encourage departmental support to the various opportunities offered to our incoming students.

Warrior Smart Start is an opportunity for new students for Fall 2018 and their families to get an introduction to El Camino College.

Students can attend a resource fair and workshops about Financial Aid, Registering for Classes, Dreamers, Career & Technical Education, Choosing a Major, and Transfer Opportunities. Students can also complete their new student orientation, take the placement test (space is limited), and meet with a counselor to create an educational plan.

If you would like to participate, please contact Jamie Gallegos at jgallegos@elcamino.edu or 310-660-3593 x3608.
