

Division of Natural Science
Chemistry Department Meeting
April 24, 2018, 1pm Chem 134

MINUTES

Present: L. Saldarriaga, S. Potter, A. Tontcheva, M. Jimenez, R. Turner, M. Abbani, P. Doucette, A. Grant

- A. Guided Pathways: Polly Parker and Chih Lew gave a description of the Guided Pathways program.
- B. SLO status: R. Turner reported that in Spring, only Chem-21B was assessed. He is preparing for the Fall SLOs. SLOs are on track in the Department.
- C. Part-timer hiring in progress: The hiring is going well.
- D. Chem-4 prerequisites: The Department will discuss a non-credit companion course to help Chem-1A students to succeed. The Department is interested in discussing changing the Chem-1A prerequisite to Math-170. A. Grant noted that the CCC will no longer work on courses that are not due for review.
- E. Announcements: Faculty expressed interest in trying ECC Connect to communicate better with students.
